Commodore Frank Winterling

Greetings Eastern Family,

Hurray, Spring has sprung...

March was a busy month with those land cruises visiting and our own EYC cruise. There is no time to sit idle, the yacht club openings start this month. My other bridge officers and I will be visiting the other yacht clubs to represent EYC. The openings are a fun time for all. If you don't have plans on a certain weekend and are looking for some action, the openings at our sister clubs are a great option.

If you have been to the club lately, you can see the equipment at C pier. The structural integrity of the pier main walkway has been seriously degraded. Once the main decking was removed, it uncovered all severe problems the main pier has. We have been very fortunate that it has not fallen into the water. Please be careful if you need to use C pier at this time. I apologize for any inconvenience this causes. I believe the structure should be updated in another week or so. At that time, we will be installing the decking on the main walkway.

Please help us keep this great club safe. If you see a hazardous condition, please report the condition to one of the officers or a board member.

Eastern Yacht Club's opening weekend is June 9-12. We are going to have many activities all weekend long. If you would like to help in any way, please contact First Lady Sharon or myself. The opening theme is based on my favorite cinema movie Top Gun. To get everyone geared up, we are planning a movie night featuring Top Gun on April 22nd, main feature starting at 7pm. We will have complimentary popcorn and pizza slices for sale. Stay tune for more details.

"Friendliest Yacht Club on the Bay"

Thanks to F/C Brian and everyone who made the St. Patrick's Day Land Cruise a wee bit of fun.

Glad its only once a year.....

Frank

Vice-Commodore, Ron Peffer

Congratulations to our Princess Mackenzie for a very successful fundraiser for the fight against Alzheimer's. I heard many comments about what a great job she did and about how our club supports her in all she does.

The weather may be getting warmer but the water is still cold. Be careful when around the bulkheads and on the piers. It doesn't take much to slip, especially with morning dew, or maybe trip on a line or hose lying on or across the pier. Also younger kids should be escorted when on the piers or at least wearing a life vest.

We have started discussions on the possibility of relocating and down sizing the bar in the big house. If you have any suggestions about what can be done please let me know.

Cigarette butts, as many of you know, I really hate to see them thrown on the ground. There are receptacles placed around the decks for them. Also if you are using the small ash trays please empty them before you leave. The wind and rain can knock them over causing a big mess. This is our club, please help keep it clean. And if you really want to throw your butts on the ground, please give us your home address so we may return the favor.

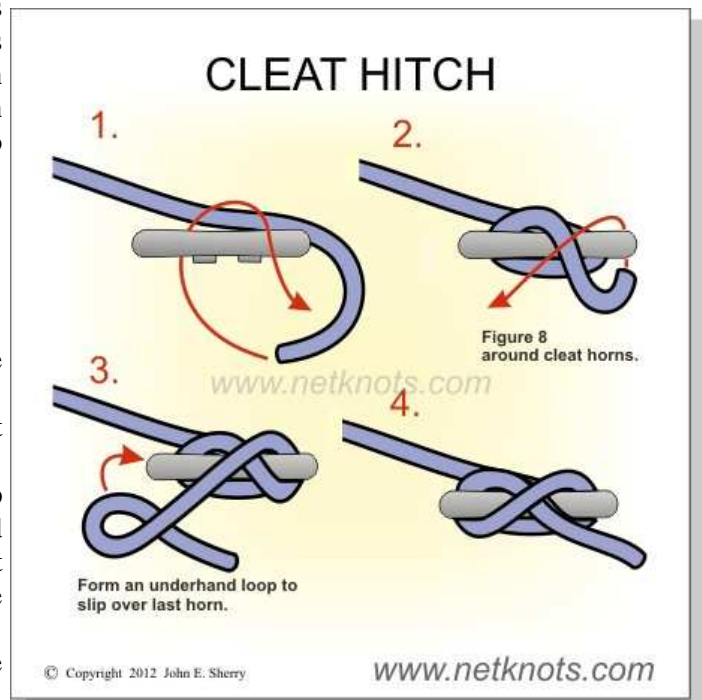

You may have noticed a new big shiny box behind the Tiki Bar. That is our new walk-in cooler. It doesn't leak, you can actually see inside, and it will keep every thing cold. Many thanks to Adam, Jeff, Tom, Mickey, Diane for helping putting it all together.

This month's nautical background comes from observations around the piers. Boats needed to be moved and the way the lines were cleated off made for some difficulty in untying the lines. When not properly cleated and there is any strain on the line the lines can pinch and lock together making it very difficult or impossible to untie.

V/C Ron

Cleat Hitch

1. Take a turn around the base of the cleat, and then bring the line over the top of the cleat.
2. Wrap the line back under the arm of the cleat opposite the first turn, and then back over the top of the cleat.
3. Wrap under the first arm a 2nd time and then back over the top of the cleat. You have now made a figure eight pattern over and around the cleat. Now form an under hand loop and slip that loop over the arm of the cleat, which pins the free end under the last wrap.
4. Pull the free end tight and you have the neat, tidy and secure Cleat Hitch.

ALL MEMBERS,

As many of you know we are always looking for people to fill empty OD spots at the club. Duties include but are not limited to opening the Tiki bar, getting ice and other supplies, stocking the coolers, emptying the trash, and locking everything up at the end of the night.

Any help will be greatly appreciated. If you can't do a full shift, maybe you could split with another person. You could also team up with someone else to do a full shift. Bottom line is we need your help to keep the Tiki bar open. If you think you might be interested in helping fill a shift this January please contact me by email at r_peffer@yahoo.com or phone at 717-877-3647.

Currently we have these dates open.

April 1, 6pm - 2am
 Saturday April 2, 7:00 till 2am
 Saturday April 30, 12:00 till 7pm

Friday April 29, 6pm - 2am
 Saturday April 23, 7:00 till 2am
 Saturday April 30, 7:00 till 2am

Rear-Commodore, Brian Harrison

EYC Family,

Well, it is hard to believe but it is finally spring!!!! Soon we will have boats back in the basin and burgers on the grill. I am really looking forward to seeing everyone back down at the club enjoying the amazing place that we have.

I would like to take a minute to thank Adam for his amazing work getting the new walk-in box set up and running behind the Tiki Bar. This will really help with the ODs getting their supplies as well as providing some much needed room for the events that are held in the big house for food.

If you haven't been around for any of the land cruises yet this year there will be a few more coming in between late March and April. These events have been so much fun and Eastern is representing very well. If you have been there to enjoy some of the food that members have been bringing you will know that these have been top-notch events. As always I want to tell the membership how thankful and proud I am for the support that you all provide.

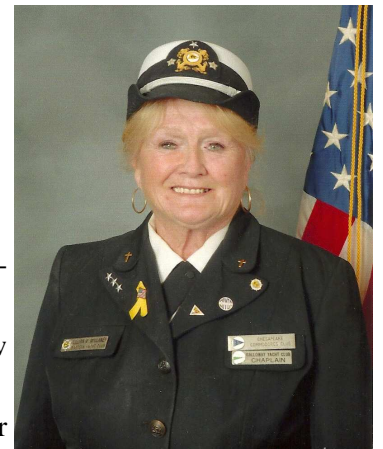

You will notice that we have a few projects that are going on around the club. C-pier is in the process of getting some new pylons; this required much of the decking to be removed for this work to be done. I ask that you please use caution if you are around C-pier until the work is complete. We will also be re-decking the T-Heads of A-Pier and C-Pier once the pylons are complete. We also will be starting the Gulls memorial wall which will be located behind the flag pole between the water and the wedding pad.

Again thank you all for your support with all of the things that we do around the club. Without that EYC would not be the great place that it is.

Thank you

R/C Brian

March 2016 – General Membership Meeting

Dear Lord,

We thank you for this day and the safe arrival this evening of our Commodore Frank, officers, and members for our March Meeting.

Hoping you heard our prayer for February, dear Lord, we thank you for the past few beautiful days, and looking forward to our Spring.

There are still members with health issues that need our prayers and your help dear lord. Please watch over our members and families, guide them and help them to have a positive attitude toward getting better, stronger, and back with us soon, and let's remember them in our prayers.

Spring is just around the corner, then Easter, and hopefully our nice warm weather will stay and no more snow or bad weather. Hoping everyone has a wonderful Easter.

In closing, dear lord, we thank you for the memories of yesterday, the gift of today, the hope for peace for everyone, everywhere for tomorrow. And remember to always keep our Vets in our prayers, and never forget they are the reason for our pleasure of freedom. Amen.

We have Sue Haven coming in this Saturday for their Easter River cruise. They will be arriving by boats with 25 guests at 12:30. Sharon is hosting the Adult Easter Egg Hunt and other activities that day starting at 1:00. Please come out to welcome our guests and take part in the festivities.

We also have dates for what should be the last two visiting clubs. Crescent will be joining us on April 16th at 2:45 with 80 people and West End would like to visit on April 30th. Both clubs treated us great on our visits this year so it would be awesome to show them a great turnout and how much we appreciate them.

As always thanks for your support and participation.

F/C Brian

Gulls President, Jim Samm

Hello Eastern Yacht Club!

Well, we can finally say it: SPRING IS HERE! Can I get a WOOOOOO?!! That being said, Spring also comes with a busy time of our year. So let's get down to it. First of all, Rear Commodore Brian Harrison has informed me that the memorial wall is well on its way to being completed and expects the project will be completed prior to Beautification Day some time in the middle of May. Thank you very much Brian, fine job!

Next I am extremely pleased to report that our long time beach advocate Mr. Tom Potere has approached The Gulls for help on getting the beach area up and prepared for a summer of sun worship, cookouts and general good times. The Gulls whole heartedly offered to support in any way possible. Thank you Tom, glad to have you on board :)

March was a great month for fundraising for our wonderful Princess Mackenzie. First she had a bull roast to benefit the fight against Alzheimer's. which was a fantastic success and raised over \$9000.00! Amazing job!! Great food and awesome music by what some have said, to be the handsomest band on the bay, Rising Tide. Great job and a great time had by all :)

We had our annual Chili cook off chaired by Cecil and Sarah Ramsey. They had 10 delicious varieties of chili to judge from and were able to donate \$50.00 to the Princess fund. Prizes were as follows, First place-PC Bobby Kuhl, Second Place- Past Gulls President Sarah Ramsey and Third Place went to Brenda Reed. Thank you to all of the participants, even the guy that brought the Hormel Chili! LOL, funny stuff!

We have our annual Easter Egg Hunt and Dinner on March 27 and this is always a wonderful day hosted by PC Tom, Sue and PC Jim Kinard. It is \$5.00 for adults, children under 12 are free. Please bring a dish to share, We would like to not have crock pots so aluminum pans are provided for hot dishes to be served. Sue, Tom and Jim take care of the Ham, Turkey, Mashed Potatoes, and Green Beans, we fill in the rest :) There is a sign up sheet in the Tiki Bar for people and what you are bringing. Talked to Tom Before this Breeze was printed, Says he has never turned anyone away, but it would help a great help if everyone could please sign up. Lets try to let them know who is coming :) Easter Egg Hunt starts at 1:30, please be there by 1 PM:) On April 30, the Gulls will be having a Wine Glass Decoration Party. The time is from 7 to 9. The price is \$30.00 but there is a \$10.00 discount if you use the code "paint10" when you purchase tickets on-line. There will be a cash bar available and a special surprise for Gulls members. This is Not an adult only event but I would like to keep it at 13 and over please. This should be a great time and all are welcome. www.DrinkableArts.com or call 844-626-7746.

We are in the planning stages for Beautification Day which is May 14th and The Gulls will be doing Dinners and Breakfast for Opening Weekend. Sign up for the Princess Court will be in the Tiki Bar this weekend. Contact for the Princess Court will be Beth Samm. That's right, the same lucky girl that is married to me, Lady766630@aol.com.

Lastly, I would like to thank all of the people that are constantly giving me encouragement and support to be the best President I can be. I have only one goal and that is to make our Gulls the best and most fun charitable/support organization in the yacht Club community. Thank you all for every thing you do! Have a great month and God bless.

Jimmy :)

A BIG EYC Thank You!

Eastern Yacht Club Family & Friends:

Rob and I wanted to sincerely thank all of our Eastern Yacht Club Family and Friends!! We intended to do so Saturday night but everyone was having such a good time that we didn't want to take the microphone over anymore!!

It is with great pleasure that we can announce that we raised \$9,575 for the National Alzheimer's Association!!! We could not have done that without all of the tremendous support from all of you!

While it would be much easier to list the people that didn't help, I have to thank several people who were instrumental in the success. As with any great party, if the entertainment and the food aren't good – the party isn't good! So first, huge thanks to Rising Tide, Brian Harrison, Mickey Kunkowski, Terry Murray, Brian Rockstroh and Frank Winterling!!! I'm truly amazed at how much all of you do. You are constantly devoting hours upon hours as officers and members of the club, while still having full time jobs and families to tend to. You guys really Rock!!

Terry Levee and his Brother Ron also deserve huge thanks, not just for the generous donations, but also for arranging Brandon Williams and Crocket Gilmore to join us. They were a tremendous hit.

To our caterer Mike and his staff, thank you for taking care of all of the food. It was wonderful to know that it was in good hands. I heard nothing but compliments!

We must also thank: Tina & Brian Rockstroh, Stacey & Brian Harrison, Mindy & John Ashton, John & Gloria Hawkes, Peggy Tarburton, Ray Beaty, Christine Pipkin, Brian & Kim Hemling, Micki & Adam Hale, Carolyn Creamer, Ron & Diane Peffer, Sharon & Frank Winterling, Karrie Armenta, Jen & Chris Bodies, Tammy Kinberg, Tom & Sue Kinard – Your help before, during and after the event was instrumental in the overall success.
