Commodore Robin Bowles

Hi All,
Spring is here!! Wish we could all enjoy it. The coronavirus took the wind out of everyone's sails.
All I can say is please people, stay safe. Practice the social distancing as much as is possible.

This is a horrible situation the entire world is in at this moment. But we will get through it. We will get to enjoy our lives and the camaraderie we are used to again, soon I hope. I am hearing people working on their boats, their houses and enjoying their family time together.

Until we meet again, stay safe Eastern Yacht Club members and community.

Thank you,
Commodore Robin

Vice-Commodore, Rickey Pope

Hello Everyone,

It's official, it's Spring ! some folks have already de-winterized their boats and are up and running, and soon boats will be coming into the Basin, but we still have a good number of slips available so if you know of anyone looking for a slip, invite them down to the club and see what we have to offer.

Beautification Day is just around the corner, this is a great time to help clean things up after winter, and a great time to meet new members. Rear Commodore Denny & his crew will be spearheading this great annual event.

Also, I would like to mention, and hardly do they get recognized, I am very proud to be associated with all of our Bar Tenders, Bar Back's, and our O. D'S. They work very hard making EYC run smoothly during event's, wedding's and any given weekend. A 'BIG' Thank You goes out to you all for your help.

I had a great time on our St. Patty's Cruise. A big thank you goes out to Fleet Captain Pat and Fleetress Rose. The food was great, and it was good to see old friends from Maryland and Middle River Yacht Clubs. We have other clubs that are going to visit us on their Land Cruises in the near future so let's show our support.

As you may know and due to the Coronavirus, Our Tiki Bar and Big house are closed until further noticed. I am optimistic and staying positive that we will get thru this Pandemic. I know this has caused a hardship for many, many, many people, but if there is one positive thing I would say, is that I am proud to be an American IN America during this chapter. We have great Leaders, Nurses, Doctors and scientist in this field that is going to get us thru this.... Just Saying! Take care, see you soon.

Sincerely, Rick. P, V/C

Work crews April postponed due to concern of COVID 19, water back on at piers, working on maintenance scheduled for piers . R/C

Rear-Commodore, Denny Swiger

Hello EYC

I hope everyone is staying safe; hopefully things will go back to normal soon and the basin will start filling up.

Thanks to Pat and Rose, and everyone who came out for the St. Patrick's Land Cruise and helped to make it a huge success. I hope everyone had a great time at every stop.

Now that spring is here, EYC ice eaters will be removed by the end of the month. Please make plans to remove your ice eater from the basin for the season. Please be careful when you're on the piers and around the Bulkheads, especially with the morning frost or dew.

I would like to thank our work crews for all of the hard work over this past winter, the big house looks awesome. As the weather turns warmer we will be spending time focusing on the piers and the grounds. We have a lot of new exterior projects to keep EYC one of the greatest clubs on the bay.

I'm looking forward to a long fun filled summer, for those with a boat slip I will need a copy of current proof of insurance. If I'm not at the club you can put a copy in my mail box. Yearly boat inspections are going to start soon. The Goal is to have them all done by our Opening.

Beautification Day is just around the corner, May 16th, this is always a great time. It is amazing how much gets done when we all work together. Hopefully we will be together soon, I look forward to seeing everyone.

Thanks R/C Denny

Fleet Captain Pat Lange

Hello EYC.

Though Spring is here it doesn't feel much like it. Quarantine sucks! Thankfully we were able to get our annual St. Patty's day bus cruise in. I had a blast. I hope you did too. A big thank you to Maryland and Middle River Yacht Clubs for their awesome hospitality. I also want to thank everyone who helped me out with the raffles, the coolers, etc.

Unfortunately, all of the incoming land cruises are cancelled and as of this writing, recreational boating is not allowed. When the restrictions are lifted and the boats begin returning to the basin, please be prepared for your annual boat inspection.

Finally, I remain hopeful that we can still have the Beer, Bourbon and Barbeque event on Saturday May 16th. I am looking for all backyard chefs who want to show off their grilling/smoking talents. Everyone is welcome to come and enjoy a relaxing afternoon on the lawn with lots of good food, some bourbons and locally made beers to taste, all for a small donation.

For now, stay home, stay safe and remember, this too shall past.

Cheers! F/C Pat Lang

Princess Kelly

Hello all!

I can't wait for summer and to see my fellow princesses again. I really hope we can soon end the spread of this virus. I hope all of you are happy and healthy.

As you know by now, my fundraiser has been postponed to Friday, July 24 from 7-11 PM. Everything else remains the same. If you have already purchased a ticket, I thank you and want you know that your ticket is still valid. However, if you would like a refund, please contact Fleet Captain Pat Lange. More info can be found on Facebook or the EYC website.

Once we're out of quarantine, I will continue to ask for donations of money and items to auction or raffle. I am also still counting on the members from each pier to assemble their best gift box for the silent auction. The box that raises the most money will win a prize and more important-

ly, bragging rights!

The Lamar Jackson Jersey is in the house! The jersey is now set in a beautiful frame with a bonus picture added in. The jersey is autographed by Lamar Jackson (certificate of authenticity included) and we are raffling it off for \$20 per ticket. I am extending the raffle sales until the day of my fundraiser on July 24. Please purchase a ticket to support the GBMC NICU.

Thank you so much for your support!

St. Patrick's Day Land Cruise

Due to Governor Hogan's recent message about
 "only essential travel allowed",
 we all can't even enjoy our boats at this time.
 A sad day indeed.

So yes, the club is closed yet another week or month
 These are difficult times to say the least. Hang in there.

Enjoy your home time with your
 family as much as you can.

I will update this as needed.

Stay safe out there and wash your hands!

My thoughts and prayers are with you all.

We will get through this,

Commodore Robin

**Do you remember
what and when?**

**We are having a membership sale
from January 1, 2020 thru June 30, 2020.**

Please tell your family and friends who love our club and would like to bring their boat to our lovely basin. Eastern Yacht Club is a working yacht club. After 5 years, members can buy out their "assigned work duties". At the present it is \$900 per year to buy out. The sale is for anyone joining the club as well as members with fewer than 5 years membership can buy out for \$1800 per year. Normal fees; such as initiation fee, dues, slip fees, pos, etc. will stay the same. (current members will pay a pro-rated fee of \$150 x the number of months between signing up and September, 2020)

While this is a sale to buy out of work duties, it is always appreciated when members help out when needed.

Any questions please ask

Commodore Robin 443-889-7374 Thank you

GBMC NICU Story

GBMC is an independent, community hospital located in Towson that has 322 beds and has over 100,000 patient visits per year. GBMC is a non-profit 501(c)(3) organization, one of the only community hospitals that remains in the greater Baltimore/Washington area. As a non-profit GBMC relies heavily on financial support from the community.

The Neonatal Intensive Care Unit (NICU) at GBMC is a state of the art facility that provides comprehensive care for newborns regardless of gestational age or birthweight. The recently renovated NICU has 13 rooms and 23 beds. The NICU is staffed with highly trained doctors and nurses who provide around the clock care for the babies until they are healthy enough to go home. GBMC delivers more than 4,000 babies each year, but nearly 1 in 10 of them go into the NICU, some for a few hours, some for many weeks.

Donations and grants are in high demand to provide items and services that are not covered by insurance, especially as GBMC lives out its mission: To every patient, every time, we will provide the care that we would want for our own loved ones. These include items not only for the babies, but the parents, too. Some of these awesome items include "beads of courage" in which the baby gets a bead for each major hurdle jumped or milestone made, eventually turning into a keepsake necklace mapping out the baby's journey. Another are Kangaroo chairs in which parent and baby can cuddle with skin to skin contact to provide a physical bond that helps the baby's development and reduce parent's stress. Money is used to pay for sit-in parents to watch over and care for a baby whose parents cannot be at the NICU all the time. Siblings, too young to enter the NICU, are also provided with care and supervision while parents visit their newborn. There's also the medical side, money to provide fortified nutritional milk that is expensive and in high demand, but low in volume. There's equipment upkeep and the list goes on.

The GBMC NICU does amazing work, bringing newborn babies with unimaginable challenges to good health and are able to thrive and grow. To continue to provide these services and to keep advancing with technology and facing the challenges of this world, GBMC NICU needs your donations.

I was born a triplet, at just 28 weeks, at GBMC NICU. Sadly, my one sister became my guardian angel. But my brother and I, at just under 3.5 pounds each, spent several weeks in the NICU, with round the clock care, developing and growing each day until we finally went home.

I am truly grateful for the selfless work of the nurses and doctors who took care of me. Now, I am in a position to help take care of them. I ask you, my family, friends and community, to help me in raising money to support the GBMC NICU.

On **Saturday evening, April 4th**, I am holding a special fundraiser at the Eastern Yacht Club from 6 PM to 10 PM. The event costs just \$40 in return for food, open bar, live music, silent auction, Chinese auction, and many laughs. Please join me for this awesome event for this awesome cause.
