For those of you who did not make the vacation cruise: you missed a great time. Our Fleet Captain Robin did an excellent job with everything. You can ask anyone who was on the cruise, for all of it or only part of it, how much fun we had. If you have never been on a vacation cruise I highly recommend it, you will not be disappointed. All of the cruises are great, whether they are for a week or just a weekend, and if possible should not be missed.

August is the month for the Blues and Wine Festival, which is a counted event, and is a great time. Ellen does a great job with this event and I can't thank her enough for everything she does to organize it. The wineries that come have something for everybody's taste, and the music couldn't be better. Make plans and don't miss this great event.

September is a busy month. First there is the Labor Day cruise, start making plans now. Then right after the GMM is slip night. If you are in a temporary slip you need to be at that meeting so you can bid on the slip you want. Remember the slips are bid on a seniority basis.

If there are 2 or more young ladies who would like to be our Princess, there will be a pageant on the 10th. On the 15th is our annual member appreciation party, plan on joining the party. If you have somebody in mind that you think has done an exceptional job or has gone above the norm to help someone or the club please let me know. Then on the 24th is the Family Day Picnic. This is put on by YCM, for you new members, that is Yacht Clubs of Maryland. There will be more information to follow.

Till next month have fun, be safe, and we will see you on The Bay.

Ron

Dressed to the nines: A Bit of Nautical Background

To celebrate victories, a returning ship would approach her home waters or port "dressed" in bunting and flags. As many of the crew as possible would line up on the nine primary yards as a salute to their monarch. Today the expression is often used to describe a person who is dressed in fancy clothing.

Vice-Commodore, Brian Harrison

Hello EYC friends,

Hello everyone. We just returned from our week long vacation cruise and we had an amazing time. The weather was hot but we were very fortunate that the weather held out for the cruise. Each day we traveled, the bay was like a sheet of glass for us. Our Fleet Captain Robin did such a great time of arranging the activities, food and an amazing Commodore's dinner.

Things around the club have been very busy this summer, please take a minute and enjoy the progress that we are making around the club. You will notice that Rear Commodore Brian has made a great horseshoe pit with lighting for night play. He also just got the main driveway paved coming into the club. If you get a chance let him know how great this looks, he works tirelessly to make the

club look amazing.

This coming weekend we will be holding the Karli Murray event at the club; the demand to support her in her time of need has been amazing from the club. We are looking forward to a great night of games, food and music. I say this all the time but I am so proud to be part of such a generous club. The efforts that everyone puts into support our friend in need is very heartwarming. All I can say is keep up the great work EYC!! You're the best.

Vice Commodore Brian

Rear-Commodore, Brian Rockstroh

Hello Everyone,

The Vacation Cruise was an awesome time! Big thanks go out to Fleet Captain Robin for all her hard work. It was a great week of relaxing and spending time with good friends. I look forward to this week every year. It never fails to help decompress and disconnect from daily stress. To me that is what a great vacation is all about.

While we were away, the driveway was repaved. It looks awesome and really puts a fresh face and great first impression on the club as you arrive. I want to thank Kevin McDonough and the Rockaway Beach Association for allowing us to use their lot as a back entrance while the work was going on and the two days after while the asphalt cured. I also need to thank Tom Kinard, Rob Smith, Adam Hale and Larry Rockstroh for meeting and monitoring the contractors, setting up and removing the traffic cones and opening and closing the front gate. I was able to enjoy my vacation due to their help!

There are now two fresh speed bumps along the driveway. They should be painted yellow by the time you read this. They are substantial, they are effective and they are there for a reason.

Next up on the work list are the various drainage issues around the property.

Thanks, R/C Brian

ATTENTION ALL MEMBERS SLIP FEES Please take note.. Due to way too many members waiting till the last minute to pay their slip fees last year, **this year the due date will be September 1st.**

Thank you for your understanding.

INVOICES and FEES CANNOT BE PAID thru the register by the bartenders. Please either mail in or put in the Treasurer's Box at the hall side entrance.

When paying club invoices, please include the invoice number and your member number on your check. This will ensure that you receive credit for your payment. If you need to make other arrangements to pay invoices please contact Asst. Treas. Robin or Treasurer Don. These simple steps will help us keep track of your payments. Thank You

Fleet Captain, Robin Ashton

Hi All,

Hope your summer has been enjoyable so far. It has been for me. The vacation cruise was a lot of fun. Our wonderful yacht club friends at Bodkin Yacht Club extended a very warm welcome to us. They prepared an enormous delicious feast for us for dinner as well as a bountiful breakfast. They were awesome. And the crabs were great too.

Chesapeake Harbour Marina is a beautiful place. We had a "lunch" pool and a "dinner" pool. The dinner pool had a magnificent view of the bay. Some of us enjoyed Annapolis also. Even had a marriage authenticated at the pool. Bet that's a first!!! Congratulations Ryan and Deb

Peters!!

Now we are off to Mears Pointe Marina. We were all pleasantly surprised to be close to the pool and grilling area. We relaxed in the pool for the most part. The Commodore's Dinner was most scrumptious and the company we had was most pleasant. This was an awesome vacation. From playing in the pool to horseshoes, corn hole, shuffleboard, pool bingo, poker, lcr and lawn yahtzee, we were busy.

I must thank all of you for making this week most memorable. V/C Brian was the chef in charge and was awesome. His helpers were R/C Brian, Tina and P/C Terry. I'm sure they made his life easier. Sharon headed up the Poker Run and Pool Bingo. We were all hoping to win. P/C Tim and Kim made sure none of us were without plates, forks etc. at every meal. We all appreciated that. Jeff, Com Ron and F/L Diane helped with supplies and games. Thank you F/L Diane for gathering up the supplies as well for the boats. P/C Frank and Sharon held all our glorious meat on their boat. Made life easier for sure. We had "fun drinks" provided by our crew. Kim had some refreshing frozen margaritas. Nancee and Chuck had a peach loveliness drink. And Randy and Nancy had the biggest red wine bottle I have ever seen. They shared it with us all and it was still not empty!! Terry made my life much easier with loading, unloading the boat and just plain helping out. Much appreciated. Thank you to the group that picked crabs and made a huge mound of crab for Stacy and Peg to make the most delicious crab balls ever!! I must say, our "chef" can cook on a grill with perfection. Everything he cooked was mouth watering awesomeness!! Thank you V/C Brian.

Labor Day Cruise is our next cruise. We will be going to Rock Hall Landing. This is September 2nd thru the 4th. Please make your reservations thru their website or give them a call at 410-639-2224. This is always a fun weekend.

Gulls President, Jim Samm

Hello Gullfriends!

Well, we are about halfway through summer and I hope it has been a safe and fun summer for you all. August is bringing us all kinds activities as well as the heat and humidity. Saturday, August 19th is the wine festival and on Sunday morning it will be the Gulls to the post wine fest rescue!! We will be serving a buffet breakfast from 8:30 to 10 am featuring all of the goodies to make those wine fest demons go away. French Toast, Biscuits and gravy, sausage, scrapple, bacon scrambled eggs, home fries including coffee, juices, milk and lots of other good stuff for just \$10 for adults and \$5 for kids 5 to 12. Did I mention bacon?!

Don't forget that on July 29th EYC is having a big ol' party to help one of our own, Karli Murray, during her battle. I encourage all of my Gulls members to pitch in and help in any way possible for this event. Karli means the world to all of us and any help, no matter how small will make this event the best it can be for one of our very best, thank you ahead of time.

At the last meeting I proposed that I wanted to have one more Gulls gathering/luncheon type events before I step aside for the next President. So, as per our discussion I am organizing a day trip to Boordy winery! This will be towards late September early October as to have cooler weather. The Gulls will provide transportation to and from EYC and tickets for Boordy will be \$15.00. As soon as I set the definite date and time I will email more information. This event will be Gulls first for reservations for the first week, then I will open it to all Yacht Club members. I hope every one will attend as this should be a great way to spend a day together for my last Gulls day out :)

I will be on vacation for our August meeting but there will be plenty to discuss. Nominations for officers, crab feast, planning for holiday charities and so on. So please, if you have anything you want to discuss or some one you would like to nominate for officer, next meeting will be the time to do it. Terry Bowles is ready to field your questions :) Ravens season is quickly coming down upon us. Let's get ready to MOVE THIS CHAINS! Hopefully my schedule changes soon and I will be able to join you all on Sundays!

Well, that is for this month. Please be safe out there, have fun and fun.

God Bless, Jimmy.

To All Members: HELP For Blues and Wine Festival

The next two months it's really important to ***promote the festival***. The best promoting is word of mouth, so please email your friends and your friends - friends, post on Facebook, Twitter, and any other social media. **Pick up some flyers to hand out**, keep them in your purse and car just in case you meet someone. Ask your local liquor and wine store if you can post the flyer on their door. We have large poster size and regular flyers on the bookshelf in the Tiki bar by the window, and the large ones are perfect for local liquor stores.

If you go to an opening of a yacht club, please take some flyers with you and ask if you can post one on their board.

It's time for volunteers to sign up for the festival front door check in. I will be **POSTING THE SIGN UP SHEET TOMORROW IN THE TIKI BAR**. For the new members, these tasks include several options: 1) check in guests, sell tickets via cash or credit card, hand out wine glasses and attach wristbands. We train everyone on the check in task and sales the night before the event. Or see Ellen or Karen about questions.

We appreciate all of your support with promoting the festival and our club.

Cheers! Ellen

Thanks to Bodkin Yacht Club and to all of their members for providing us with a GREAT stop on the first leg of the 2017 Vacation Cruise. Special thanks to Fleet Captain Ray Haber, he was there for the entire weekend making sure we had everything we needed along with several others members. Ray and the members of Bodkin Yacht Club worked very hard the entire time and a surprise, with a fantastic meal Saturday night along with beautiful cake after dinner. Sunday morning they also cooked wonderful breakfast that served coffee, juices, pastry's, eggs, sausage, bacon, home fries, waffles, muffins, toast and much more. Bloody Marys were also available. When it was time for crabs Bodkin members also went and picked them up for us, provided everything we needed to have a great crab Feast. Their hospitality went above and beyond anything we ever expected.

Thanks Again to our friends at Bodkin Yacht !
