Hello EYC friends,

Well, we are finally getting some boat time in on the water and man it feels good. We just wrapped up our vacation cruise, which was an amazing week. We had a great time at Bodkin Yacht Club, Rock Hall Landing and we finished up at Kent Island Yacht Club. I want to thank our Fleet Captain Rick and Suenette for planning such an amazing event. They

worked so hard to make sure that we all had a great time; we are lucky to have them serving our club. I also want to thank them for the amazing Commodore's dinner. This was really special and Stacy and I are so appreciative.

I want to thank everyone for the hard work you put into making our club so special. I am still amazed every time I look around the property at how great it always looks. We are truly blessed to have such a beautiful place to relax and your efforts to keep it looking amazing really make me proud.

I would like to offer a special thanks to the Gulls and Mike the caterer for the great comedy show that we just had. I know that the combination of great food and great fun was a winning combination. This was a very successful event and I hope we can do this again in the near future.

I am really looking forward to the next month of activities: we have the Blues and Wine fest coming up in August which is probably one of my favorite events we have at the club. If you have not attended in the past I encourage you to come out and enjoy the Maryland Wineries, Craft breweries and local craft and food merchants.

Thank you to everyone for your encouragement and support, I am looking forward to a great August around the club.

Vice-Commodore, Brian Rockstroh

Hello Everyone,

We had a great time on the Vacation Cruise. Fleet Captain Rick and Suenette put together a fantastic week of fun and relaxation. We had great weather and no mechanical breakdowns and a good time was had by all. I am still a little sore from the belly flop contest and continue to be the reigning paper airplane champion. It also looks like we have a new F/C on the hook! The food and drink was great but the company was even better. Thanks to Fleetie and Fleetress and all who attended. I'm already looking forward to next year!

The new pole barn is complete. I want to thank all who helped in the preparation and construction. It turned out great and should last a long time. This adds a ton of much needed storage/workshop space and keeps the tractors out of the weather.

Finally, I want to make everyone aware of the need for a new Treasurer. Don Czapl is stepping away for a much deserved break. Don has done an outstanding job for the last 5 years at balancing the books and handling the financial decisions of the club. The club is in great shape financially and Don is a big reason for that. I want to personally thank him for his hard work and Stewardship. He has agreed to help train the next person and ease the transition. If you see him around please say thanks for all he has done.

V/C Brian

Rear-Commodore, Robin Ashton

Hi All,

Vacation cruise was awesome. Lots of fun and camaraderie with our fellow members. I always look forward to this cruise. Pool fun, great food, games to play, competition at its best and good friends. Always a good time. Fleet Captain Rick and Suenette, thank you for all you have done for all of us. Awesome job!

The children's clubhouse will soon be back to being a clubhouse again instead of storage. Thank you for your patience from our construction of the shed. It's beautiful though. V/C Brian Rockstroh gets credit for heading this off and getting it done. Awesome job Brian! The new tractor has a home.

We are slowly getting the decking and railings painted. Need more patience for this project. Mother Nature is making this project a major challenge, but it is getting done. Please let me know if you see things around the club that need fixing.

Treasurer Needed!

Don Czapl has decided to take a much deserved break and will be stepping down from the Treasurer position. He has agreed to help train whoever takes over .

This is one of, if not the most important positions on the Bridge. The Treasurer balances the checkbook and leads the decisions on major purchases around the club.

Whoever seeks to takeover must be trustworthy as well as capable of handling the financial dealings of the entire club.

Please contact an officer if you are interested in this position.

Thank you for your consideration.

Fleet Captain Rickey Pope

Hello Everyone,

Hello everyone, we are back from a Fun Filled Vacation Cruise. The food was great, the Chester River Crabs were huge and delicious, and the Cold Beer, and mixed drinks were refreshing. Thanks to Denny and Jane for the morning Mimosas and Bloody Marys all week. First stop was Bodkin's Yacht Club where Commodore Brian Harrison trouble shot, rebooted and repaired a 47 ft. Silverton belonging to a BYC member that would not start on one engine. That is EYC representation at its best. Also we had fierce competition in horse shoes and shuffle board at BYC. The sleepy town of Rock Hall was shaken by none other than the (The Poz) thunderous splash in the Belly Flop Contest. And the corn hole games were challenged by great competitors, Al Tarburton and Jim Kinard and our ACE of paper airplanes Flyers was won by our Vice Commodore, Brian Rockstroh with his missile of an airplane. Kent Island was beautiful and enjoyed the pool and hospitality by all including "Rudy" the Dock Master. At the end, Saturday morning was met with gusting winds and choppy seas, but all of our officers and members made it back safely with good planning.

Boat Inspections – We still have a few more vessels to inspect. You can ask Steve Uhl, Bob Wilkins, or any officer to do an inspection. Please remember, this is necessary to insure all boats are seaworthy and our Marina is protected. Also remember, **IF YOU DO NOT HAVE YOUR VESSEL INSPECTED, BY SEPT. 1st, 2018 YOU WILL NOT BE ELIGIBLE FOR SLIP ASSIGNMENT.**

Labor Day Weekend cruise Tolchester Marina on September 1st thru the 3rd

Labor Day Weekend is our next cruise, we will be going to Tolchester Marina on September 1st thru the 3rd. EYC has slips on hold there. Please make your reservations thru the Tolchester Marina website or you can call 410-778-1400 to make your reservations. Slips are \$2.75 / ft. per night, single 30 amp \$8 / night, double 30 amp or 50 amp is \$15 / night. There is a two night minimum stay for a holiday weekend. There will be several bands playing that weekend, including Kanye Twitty on Saturday and also there will be several of our favorite yacht clubs attending that weekend.

Our Frost Bite Cruise will be held at Henderson's Wharf Marina Friday October 5th. Thru the 6th.

Please make your reservations thru Henderson's Wharf website or call 410-732-1049 for reservations. Slips are \$3.00 / ft. per night, single 30 amp is \$10/ per night, double 30 amp or 50 amp is \$15 / per night. Also they have a two night min. stay / with a one night deposit (non-refundable). This will be a great time due to Maryland Fleet Week with plenty of ships to see and the USAF Thunderbirds fly over. Also I would like to continue with our tradition with a Chili Cook-Off as we have had in the past.

There will be emails sent and Flyers posted in the TIKI BAR... ENJOY!
