December 2020

Officers and Agents of EYC

Commodore Ricky Pope

Hello everyone,

Well it's the middle of November and I've already seen snow here in Maryland. Most boats are out of the basin and are high and dry. If your boat is in the water, please don't forget to winterize and to put your Ice Eaters out.

Last Saturday Rear Commodore Pat had our annual Fall Beautification Day. We had a whole bunch of people show up and a lot of projects were taken care of. The place looks great! The best part about that day was when everyone gathered around the fire pit and enjoyed the fire with Chef Mike cooking hot dogs on the grill. I had a great time, Thanks R/C Pat & Rose.

As you might be aware, our Commodore's Ball has been rescheduled to April 24th, 2021, and several other yacht clubs have rescheduled their Commodore's Balls to a later date also, unfortunately, this is not business as usual thru these difficult times. I am optimistic & staying positive that we will get thru this pandemic like we have before. I would like to thank our nurses & other healthcare providers who are members of our club for your dedication and selflessness that you all provide day in & day out, God Bless you all! And to our members, please take care of yourselves & your families as well.

See you soon. Commodore R. J. Pope

**Updates on all club and EYC
Auxiliary events and current
Sick and Welfare**

Hello everyone,

Vice-Commodore, Denny Swiger

I hope everyone has been out enjoying the mild fall we have been fortunate to have. We extended our outdoor activities and enjoyed our club and boats. While some events have been canceled or postponed during this pandemic we are working on some socially distanced events to keep the club from being completely shut down. We will continue to disinfect and use the big house so we can spread out and properly distance. December 4th we will be having our bar bingo in the big house; games will begin at 7pm, wear your mask, sit with your family, and come out and join in the fun. We will continue to have our Sunday fun day football parties, which will also be in the big house. Due to Covid, please bring individually wrapped food if you wish to share or bring your own food. We appreciate your cooperation and hope to see all of you soon.

Please keep in mind the temperatures will soon be dropping; if you're keeping your boat in the basin, you are required to have an ice eater in your slip and functioning by December 1st. If you need assistance please contact our Rear Commodore Pat Lange.

I would like to thank everyone who came for our fall Beautification Day. It's great to see everyone working together to keep our club looking as beautiful as it does today. Thank you Rear Commodore for great organization and an even better party afterwards.

I hope you enjoyed Thanksgiving. Jane and I just want to wish everyone in our EYC family a happy holiday season and look forward to seeing you all at the club.

V/C Denny

Hello EYC

Rear-Commodore, Pat Lange

Hello Eastern. December is almost here and the holidays are upon us. I want to thank Fleet Captain Jim and Fleetress Cindy for an awesome Pirate Cruise. It was such a fun time. The work crews have been busy keeping our club looking great. I want to thank everyone who came out to our Fall Beautification Day. We had a great turnout and got a lot of work done and the place looks great. The after-party around the fire pit was super fun too. I've got a lot of plans for improvements over the next several months.

Hopefully the whole COVID thing will go away soon enough and our progress won't be hindered. If you have any suggestions or requests for improvements or repairs, please contact me.

Walking the piers there a number of items left behind including hoses, lines, fenders, etc. If these belong to you and your boat has been pulled. Please remove these items until next season. As for membership we will be welcoming eight (8) new social members in December. Please show these new members what "EYC Family" means. To end, I want to wish everyone a very happy, safe and healthy holiday season.

I am happy to announce I made my donation to the GBMC NICU. The donation was for \$8,840.00. The staff was beyond grateful when they heard what we had raised for them and my heart is full having the opportunity and support to do this for them.

Shown in the picture is Dr. Maria Pane who is the chief doctor of the NICU and was at the time I was born. She was in the operating room when my brother, sister and I were born. She baptized my sister right in the OR.

Thank you all so much for your help and donations. You all are such amazing and generous people and I am proud to be part of the EYC family. Our donation is going to purchase items that help comfort parents while they deal with trying times.

THANK YOU Princess Kelly

Fleet Captain Jim Morin

Hi Everyone,

Hello! I hope everyone had a good Thanksgiving holiday. I would like to say thank you to Rear Commodore Pat Lange for organizing our Fall Beautification Day. The grounds looks amazing. I would like to remind everyone that there are still 50/50 raffle tickets available for purchase until December 13th. Don't miss a chance to win a little extra holiday spending money. Ticket information can be found on the EYC Facebook page.

I am still working on the final plans for our vacation cruise. There are a few additional locations that I still want to visit before finalizing our plans. I am also still planning a few bus trips in 2021. They will likely happen closer to spring/summer due to the current COVID outbreak and for everyone's safety. Hopefully everyone understands. Finally, I would like to wish everyone a very happy holiday season. This is a time to enjoy family and friends as much as we can during these difficult times. I hope everyone remains healthy and stays safe.

Take Care F/C Jim Morin
