### Officers and Agents of EYC

#### Commodore Brian Harrison

Hello EYC Friends,

Hello everyone. As I write this it is a balmy 53 degrees outside. This is a welcome break from the cold weather we have been having. I am already starting to get my boating plans in order since we will be back in the basin soon.

The past month has been an exiting time for EYC: we celebrated Gary Blankenship becoming the Commodore of the 3C's. This is a huge honor and Gary has put so much time and effort into getting to the top of the organization. Gary - from the EYC family we are so very proud of your and Debbie's major accomplishment.

For those of you who were at the 3C's I want to personally thank you for all of the hard work that went into making EYC shine at this event. Every aspect of this weekend was amazing. I personally want to thank Vice Commodore and mate Tina for the amazing job they did coordinating all of the EYC plans and activities. I also want to thank Buzz Woodward for what can only be described as a magical castle. I have thought about what we as a team were able to pull off for this event and it is truly breath taking. Who would have thought that a 4 story Castle would be possible and for it to look so real. I can honestly tell you I feel blessed to be part of such an amazing group. EYC does over the top better than anyone else.

First lady Stacy and I have been attending many balls over the past few months and have really enjoyed representing EYC. Soon we will be moving into opening season for all the clubs and again we are looking forward to these events. I am excited for the warm weather because that means we can all be together again. Can't wait to see everyone over the coming months.

Commodore  
Brian

# Vice-Commodore, Brian Rockstroh

Hello everyone,

Wow, what a great time! All the hard work for the CCC's came together and for me it seemed like a flawless weekend. I'm pretty sure the other clubs will remember this year for a long time. Not only for the awesome EYC hospitality suite but more importantly for the huge turnout of the friendliest yacht club members on the bay. I want to thank all the members who helped pull this thing together. It would take a book to list everyone who helped before and during the event. But I do need to recognize Captain Buzz for his awesome design and carpentry skills, Diane Pepper for painting and Pete Beyrodt for his work on the carriage bar. Eastern Yacht Club is overflowing with talented and hard working people. It's times like these that reinforce my pride in being a member of this club.

V/C Brian

# Rear-Commodore, Robin Ashton

Hi All,

Well, we have been having some freeeezing weather so far this year. I'm sure this is news to all. Please check on your boats. The ice eaters are trying their best to do their job.

Thank you to all the work crews that have been keeping up with these things. On that note, our work crews have been busy. Our weekend crews have been doing mainly landscaping, house-keeping and fighting ice. They also took down and put away Christmas/Ball decorations as well as cleared out the big bar to make way for the mid work crew. So the mid work crew has refinished the big house bar and it looks awesome. Come take a look. I must say all of the members who work at the club do an awesome job and I thank all of you.

At present, the bathrooms in the big house are getting a face lift. The partitions are being replaced. I'm sure all will be pleased. They will definitely look more professional for our weddings. Thank you Denny Swiger for getting this started.

Terry and I, along with 90 + of our EYC friends went to the 3C's last weekend. What a blast it was. This was the party of all parties. Everyone there was talking about EYC and our castle as well as our hospitality. We really know how to do it up right. Thank you all who attended and helped in any way. It was a lot of work but so worth it. Buzz Woodward, you have some talent worth mentioning. Wow. Next year's theme is villains and heroes. We have to come up with an idea quickly. Let me know your thoughts.

We Work Together, We Play Together!

R/C Robin

Deb and I would like to thank Eastern Yacht Club, officers, members and the Gull's for the tremendous outpouring of support for this year's CCC Commodore's ball.

We put on a weekend the likes that will never be forgotten. From Thursday night welcome party to the Sunday packing, the club worked tirelessly and in harmony to put together a truly epic event.

Thanks to Commodore Brian Harrison and First Lady Stacie for always representing our club in such elegant fashion. Under the leadership of V/C Brian Rockstroh and Tina and with the help of many members, our hospitality room was the star attraction of the weekend.

Special thanks to our Gull's President, Terry Bowles and his members for all their help and support. Sharon Winterling along with Mike Loehmer and his staff put together a variety of food favorites for Thursday night including an oyster bar and ice cream sundae station. We were also entertained with songs by Past Queen Shannon Czapla in the atrium. This was by far the best ever for a Thursday dinner.

Friday night our Magic Kingdom hospitality room, the creative fabrication of Buzz Woodward was always filled with on lookers and guest stopping to get a picture in front of the castle. On Saturday night after a flawless performance of the National Anthem by our very own P/C Tim Prutzer the ceremony was underway.

It was with great pride to see our membership all seated surrounding the pool area for the ball and installation of officers. In all it was a weekend that will never be forgotten.

Once again words alone cannot express our gratitude to all who helped make this a truly memorable weekend.
