Commodore Robin Bowles

Hi All,

Well, another 3C's success!! It all started with Buzz Woodward's artistic vision of Times Square and the theater and Suenette Pope's vision of the "retired Rockettes" . And of course Jane Swiger's design of their costumes took it over the top!!! Much laughter was had by all. Kim Pratzler had her hands full trying to create talent out of a bunch of

misfits. LOL. The entire room, inside and outside was way more amazing than I had envisioned. V/C Rick, Suenette and Buzz and all of their helpers really out did themselves.

We won 1st Runner Up on the hospitality room and Most Original Skit. 2 awards is pretty awesome considering how fierce the competition was this year. Proud of you all.

The next adventure planned is opening weekend. Our theme this year is "Saturday Night Live". So if you have any ideas of a skit, please let me or John Ashton III know. It's going to be crazy. I also need some help making the opening day ad booklet. Please let me know if you can give a hand in this. Still working on the raffle idea.

Please remember to come out to our upcoming events...support the Gulls (comedy show 2/15)...support the queen (3/21 fundraiser)...support our princess (4/4 fundraiser)...support our club (pc bull roast 4/18)..Mark your calendars!!

Vice-Commodore, Rickey Pope

Hello Everyone,

This has been a cold, chilly, and breezy month. While driving back from 3C'S in Ocean City, Suenette and I experienced what 40 to 50 knot wind gusts could do to a 16 ft. Box Truck all the way home and especially over the Bay Bridge with wind cautions. Terry and Robin who followed us all the way home probably had a good laugh watching us all over the road, thanks guys.

What a Great time we had at 3C'S at the Princess Royal. We started our weekend on Wednesday evening at Bull on the Beach. Cold PBR'S were flowing easily and North Point Y/C and EYC showed what Karaoke was all about, singing Sweet Caroline by Neil Diamond. Thursday was the Build, Thursday evening, Friday, and Saturday was party on. I can't thank everyone enough who helped, and assisted us with the Build inside and out, the skit, and loading and unloading. First, and as always, Buzz Woodward who I can't

thank enough for his expertise with the design and build and supervising the build, P/C Ron and Diane Peffer as always offering their help with the build, paint, design, and Ron using his electrical engineering degree for the Rotating Advertising Bill Boards, and P/C Brian "Rockstar" Rockstroh for his expert carpentry skills, design. These guys and gal have been working on 3C'S projects for five to six years and three to four days a week. Amazing.

We had many other members who helped with the Hospitality Suite, Times Square Building, and our skit, and loading and unloading the truck. I want to personally thank you all for all the hard work that went into making EYC stand out again. Thanks to Cindy Woodward, Larry & Kathy McLaurin, Suenette Pope, Diane Peffer, John & Mindy Ashton, Tim & Beth, Randy & Nan Depew, Bob & Linda Wilkens, R/C Denny & Jane Swiger, Cecil & Sara Ramsey, Carolyn Creamer, John & Michelle Killian, P/C Terry & Commodore Robin Bowles, P/C Brian & Tina Rockstroh, Will & Jen Coker, P/C Tim & Kim Pratzer, Steve Uhl, Jim Foard, John Grill & Karen Reagan, Mike Courtemanch, Kat Christ, and Jim Gavin, and Jacob Harris, and the Mid-Week work crew. Please forgive me if I forgot anybody who helped. I was very proud that Commodore Robin Bowles proudly received two awards for EYC.

I'm looking forward to the month of February, F/C Pat Lange has a bunch of activities planned with several multiple inbound Land Cruises visiting EYC and several Bus Trips that sounds like a whole lot of fun, so let's support F/C Pat & Rose and Princes Kelly. Enjoy!

Vice Commodore, Rick

Rear-Commodore, Denny Swiger

Hello everyone -

The count down has begun! It is now less than two months until spring, March 19th!!! I'm looking forward to sharing another fun filled year with our members and friends. I would like to give a huge 3 C's thank you to Buzz Woodward and crew, VC Rick and Suenette, PC Brian Rockstroh, PC Ron Peffer and Dianne. Also thank you to the on-sight build crew. To watch these guys put in the countless hours of hard work and dedication to make this event so successful is just beyond amazement.

I am looking forward to carrying on the tradition next year, I can not wait to get started. Let's brave these next couple of cold months and enjoy our club Tiki Bar. Come for dinner and bingo on the 1st Friday. WOO HOO...due to the overwhelming request...coming soon to the Tiki Bar....crazy Karaoke featuring DJ Frank, we will share the date soon. In closing I would like to give a warm EYC welcome to our new members Mr. & Mrs. Dickey welcome to the EYC family.

Hello EYC.

We're about halfway through this hell we call winter. The Ravens season was a fun ride but had an unfortunate end. I want to thank everyone who came out on Sundays and supported the club. We'll crank it up again next season with bigger and better ideas – stay tuned. To keep you mind off of winter we have lots of fun coming up.

On February 8th we have a bus trip to local breweries from 11-5. As of this writing we still have a few seats left. On February 29 we have the "Winter Blues Cruise" to MGM Grand Hotel and Casino followed by the National Harbor Waterfront Park. A flyer and e-mails will be sent out with more details. On March 14th, we will celebrate my favorite holiday with our annual St. Patty's day bus cruise. We'll have two buses and we'll will be visiting three of our fellow yacht clubs. Again, a flyer and e-mails will be sent out with more details. So far, we have three incoming land cruises set up. On March 21 Bush River is coming in early afternoon. On March 28, we have two, Marley Boat Club at 11 and Crescent at 2. I am going to put together a schedule that will be periodically e-mailed out as well as posted in the Tiki.

I am also working on details for the vacation cruise. The 60/40 board should be ready by the end of January. I hope to have a lot more details by the next GMM. With all this going on it will be spring before you know it. Keep smiling!

F/C Pat Lang

Hello all!

Princess Kelly

As February approaches, I am continuing the fun with attending other yacht club balls with Commodore Robin and First Gent Terry. We have many more coming up and I am looking forward to spending some added time with my fellow princesses.

Starting now, I am really turning up the heat on my fundraising effort. My main fundraiser is set for April 4th at 6 PM. Tickets will be on sale soon and I am really hoping everyone can attend. We'll have live music by "Whisky Train", open bar, great food, a silent auction and so much more.

I am so excited to announce that we have a rare autographed Lamar Jackson jersey that we will be raffling off. Tickets will be available soon. The jersey is being framed and is going to be awesome.

I am invoking some "Pier Pressure" for the fundraiser. I am challenging the members from each pier to assemble a gift box for auction. There will be one box made for each pier. I am also challenging the Gulls, the BOG/ Bridge and the RV's to assemble a box as well. We'll see who can make the box that raises the most money. If anyone has anything they'd like to donate for auction or to be a part of a gift box please let me know. It can be an item, gift card, a service, sports tickets, etc.

Thank you so much for your support! Princess Kelly '20

These are from the CCC Ball in 1990.

One pic with P/C Fred Weggel in the middle of the Rockettes, and another with me in the middle. This was the year Fred went in as Commodore of the CCC. I was the singer and M/C of our Skit. I was also the M/C of the Ball for Fred, and performed the National Anthem for him. This was the inspiration for our skit with the Rockettes this year.
