### Commodore Brian Harrison

Hello EYC friends,

Well time is really flying by; soon we will be breaking out our shorts and swimsuits. First Lady Stacy and I would like to thank everyone who came to our ball. This was truly a special evening, I could not be more proud of all of the members who helped make it such a great night. When I thought about what my ball would be like and then look back on the actual event, I am amazed that it turned out better than I would have imagined.

Now that the ball is over we are turning our attention to the 3C's to support Gary Blankenship as he takes the helm. EYC is lucky to have a member like Gary who has dedicated so much time and will be receiving this great honor. Our Vice Commodore has been doing an amazing job working with Buzz Woodward to build what can only be described as a magical castle that we will be taking to the 3C's. There has been a lot of help with this effort and it is really coming together.

I wanted to also take a minute to point out another amazing act of kindness that our club did over the last month. We had two members lose their moms in the same week this past month. The club and volunteers stepped up to make sure that the wake celebrations that were held were successful. Once again this members dedicating their time to make sure that we are supporting others in their time of need. EYC is truly a special place with great members.

Lastly, I would like to wish you and your families a Merry Christmas and Happy New Year. We wish you nothing but warm wishes and safe travels in this holiday season.

Commodore

Hi everyone,

Huge thanks to everyone who came out to the ball! I had such a great time with everyone. I also want to thank everyone who bought tickets for the basket raffle. As a result of all of your participation, we were able to donate \$1,500 to Believe in Tomorrow. Congratulations to Larry and Sue Rockstroh who won the basket! We'll be having my charity fundraiser on April 7th at the club. We are currently looking for volunteers to help with things like planning and donations. Please let me know if you are interested. You can contact me at [shelbya127@yahoo.com](mailto:shelbya127@yahoo.com).

Queen Gabby recently hosted a princess party at the club. All of the princesses came and we did a cute little gift exchange. Hope everyone is having a great holiday season and has a wonderful new year!

# Vice-Commodore, Brian Rockstroh

Hello Everyone,

The CCC's is right around the corner and I am looking forward to a great time. We have more than double our normal EYC attendance signed up and Gary is telling me the hotel is now full to capacity with the start of a waiting list. Things are shaping up for a memorable weekend. For any of you first timers, it is a marathon not a sprint. Trust me when I say to make sure to hydrate as you partake in the adult beverages.

The construction of Cinderella's Castle is almost complete. We had 15 people show up on a Monday evening to help paint! Captain Buzz has done a great job as usual with the design and construction. It is going to be something special. Many thanks to those who have come to help build. The last CCC's planning meeting will be on Thursday, December 28th at 7:30 where we will be finalizing the details of the weekend. I hope to see you there.

On a personal note, I want to thank everyone for the condolences, cards and outpouring of support and help with the passing of my mother. It has made a very difficult time that much easier and I am extremely grateful for the love and friendship of this club. I did not realize until my mother was there that Gilchrist Hospice care runs largely off of donations to keep costs down for the families. They do an incredible job in the most difficult of circumstances to ensure their patients stay comfortable, are treated with respect and most importantly maintain their dignity. I asked the B.O.G. for a donation to be made in my mother's honor and they and the Gulls stepped up in a big way. I will never forget it. Thank you EYC.

Hi All,

I can't believe another year has passed. Come on 2018!!! We have had lots of fun. There have been many improvements to the property. Lots of good memories to carry on to the next year and beyond. Speaking of which, Commodore Brian and First Lady Stacy, your ball was awesome. The food, the people, the music and most important, the enjoyment we all had together made it spectacular. I would like to wish all of our members and their families a safe and happy new year.
