### Officers and Agents of EYC

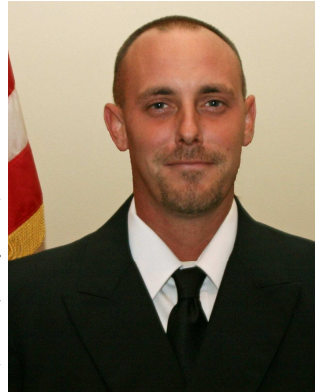

Hi Everyone!

Not a whole lot going on this month so I'll keep my report really short.

I want to thank everyone who helped out for opening weekend. I know there were some issues that weekend, but like a good family and team we managed to get through it. In preparation for next year the Vice Commodore and I have discussed a lot of things that could be done differently and improved. Special thanks go out to the ladies who worked so very hard to prepare wonderful dinners for the weekend. Thea, Shirley, Christi, Julie, Diane and anyone else I missed, thank you again.

The openings have finally come to an end! Thanks to all those who came out and showed their love and support at Bodkin's opening. Big thanks go out to our Princess Savannah and my bridge of officers for attending the openings this year. Definitely has been a wonderful year so far and looking forward to these last couple of months.

Greetings Eastern Family,

**Help please...**

We are currently in need of ODs for the 1st and 3rd Friday of the month (6-2am) and the 4th Saturday shift (7-2am). Please contact me if you are interested in any one of these spots. If you're not sure what an OD (Officer of the Day) is and what the OD does during the work shift, please contact me.

I want to congratulate Commodore Kuhl for a successful 58th annual opening weekend and ceremony. I know it was hot but the rain stayed away long enough for EYC to have a dry ceremony...Amen. I want to thank everyone who helped out during the weekend and to all the other persons behind the scenes that have worked hard. Many folks are working and planning many weeks prior to opening weekend, so a big thanks to you folks.

Bartenders, ODs or other elected officers; it is important to respect the wedding events that are taking place during the season. If you require something from the big building during the event, use the outside access for the kitchen or the office area. If you must go into the venue, please be dressed appropriately.

**My quote for July "Complain less, smile more..."**

Much Love, V/C *Frank*

**The dates that are still open in August to OD, please contact Frank to sign up and help!**

# Rear-Commodore, Ron Peffer

First of all, I hope everyone had a great time at our opening. I know I did. The food was great, starting the weekend off with the meatloaf and Italian night dinners and then the breakfasts. Many thanks to our Gulls for all the hard work you put in to help our club make this a great weekend. And don't forget the pig roast on Saturday. The guys started late Friday night to have it ready for dinner Saturday, again many thanks to the crew for cooking the pig. The Day was defiantly hot hand humid but with the help of a lot of water and a few libations everybody seemed to fare rather well.

The next big event coming up is the fireworks on the 4th of July. I know the fireworks committee has been working hard to put on a great event. When you see them let them know what a great job they are doing. Come out and have a great day that will end with the fireworks being set off right out from our beach.

And don't forget the vacation cruise. I know our Fleet Captain has been working hard to put every thing together. There are three stops starting at Herrington Harbor North, then Miles River Yacht Club, and finishing up at Kent Island Yacht Club. If you can't make the cruise, come on down to Kent Island for the Commodores dinner honoring Commodore Bobby Kuhl. See you around the club.

R/C Ron

## “Carry On” A Bit of Nautical background

In the days of sail, the officer of the deck kept a weather eye constantly on the slightest change in the wind so sail could be reefed or added as necessary to ensure the fastest headway. Whenever a good breeze came along, the order to 'carry on' would be given. It meant to hoist every bit of canvas the yards could carry.

Today, the term means to continue with your work.

R/C Ron

If you have something to put into the Breeze, the cut off date is the 20th of each month. Please send your information in a MS document to [EYCjlk381@gmail.com](mailto:EYCjlk381@gmail.com). Mark the subject **BREEZE**. I do not have a program that will open PDF files to re-format them, or capture information from them. Thank you, Jim

EYC Family,

Hello and happy summer!!! Well we are starting to get into the heat of the summer and I see a lot more boats heading out for some fun on the water. As July approaches I just wanted to send out a few reminders. Please remember that if you are attending the Commodore's dinner at Kent Island Yacht Club on July 17th ,I need you to sign up on the sheet located in the Tiki bar. The cost for the dinner is \$20 per person and I need final payment from everyone by June 28th. Please find myself or Stacy for payment, if you cannot find us please leave the money with the bartender in an envelope with your name on it and I will pick it up on the 28th. If you cannot make payment by the 28th please contact me so we can make arrangements.

**Email- [Brian01harrison@gmail.com](mailto:Brian01harrison@gmail.com) Phone- 410-948-0343**

We will continue over the next few weeks to finish up the remaining boats. Please remember that you can have any of the below people inspect your boat so when you see one of us please take the time to complete this.

**A Pier- Brian Hemling  
C Pier- Steve Uhl**

**B Pier- Frank Winterling  
Alternates- Brian Harrison, Ron Pepper**

I also will be sending out some info soon on our plans for the Labor Day weekend trip so be on the look out in your emails for this. Lastly if you know anyone who needs slip for 4th of July or Blues and Wine fest please have them contact either Steve Uhl ASAP, or myself as I believe we will be filling up quickly for these events.

Happy Independence Day!!

Well we can put another Opening Weekend in the history books. Commodore Bobby, we can breathe easier now!! Thanks to all who helped out. There were a lot of helpers thru the events however I would be amiss if I didn't specifically thank Diane Peffer who was with me from Tuesday to Sunday every step of the way. Thank you Diane!! Wednesday to Sunday afternoon a lot was going on. Shopping for all the food and supplies, cooking, decorating to make sure everything was perfect! I hope everyone had a great time. Thursday's meatloaf dinner was great as always! Breakfast crews were on time and worked like a well-oiled machine. Italian night could not have gone any better thanks to all. I have attached the receipt for the Italian night soup. I always get a couple people requesting the receipt so I thought I would include.

Fourth of July is just a few short weeks away as I am writing this article. I am confident that it will be as spectacular as it was last year!! We have a great fireworks crew to take care of all the planning and they leave no detail undone. As always if you see someone in need of help setting something up or tearing something down it is always appreciated when someone lends a hand.

Next on the agenda will be The Wine and Blues Festival. We will again be filling the wine rack and raffling it off this year so if you see some wine on sale and would like to donate please bring to GMM or give to a Gull who can put it safely away for the time being.

Have a great month and hope to see you around the club.

Chris Gannon  
Gull President

### 5th Annual Danny Bowles Fishing Tournament

Every year this event gets bigger and better. Last year I wrote a "purpose of this fishing tournament" letter. It goes as follows:

Danny Bowles's last EYC rockfish tournament took place October of 2010. Danny, Terry, Jeannette and I were the fishing team aboard the "Loveshack 4". The picture of Danny we use as a flyer is him holding up the winning fish. You can see by the look on his face that he was having fun that day. We realized that what we caught were not the biggest fish. During our constant laughter and great camaraderie, someone said that they didn't care if we caught another fish or if we won or not. We all agreed because we realized that being together with friends and family and having a great time was more important to us. So the following year it was time for the tournament again. I asked Eli if I could take it over as a memorial to Danny. She said it would be an honor to do that. So my main goal for this day is for family and friends to get together and fish, boat, drink, eat and be merry. Catching fish and winning the prize is just the icing on the cake.

by Robin Ashton

This year I would like to do a couple 50/50's to help make our prize money a little sweeter. So keep a watch out for those. Additional information will be coming in the near future.

**Opening Day Prayer and June GMM  
Eastern Yacht Club June  
by Chaplain P/C Lillian Mullaney**

Dear Lord:

We thank you for this beautiful day and the safe arrival of our Commodore Bobby, his Officers, members, and family, friends and sister yacht clubs. We are especially thankful for our beautiful princesses and our new Queen of the Chesapeake Ashley Lindsey.

Dear Lord, help us to stop overlooking those things we take for granted Help us to show appreciation for the many people and things that surround our lives, and help us to take the time to acknowledge and show our families their importance, demonstrating respect and acts of kindness. You have graciously given us many wonderful things in life, dear Lord, we need your guidance to show thankful appreciation for our lives, good fortune and good health.

May this 58th Opening Day for Eastern Yacht Club be blessed with friends, good times and a safe boating season.

In closing, Dear Lord, we thank you for the memories of yesterday, the gift of today, the hope for peace for everyone, everywhere for tomorrow. Keep our service men and women safe and look over our wounded warriors. Amen

P/C Lillian Mullaney, Chaplain Eastern Yacht Club

Dear Lord

We thank you for this and finally see the sun and the safe arrival our Commodore Bobby, officers, and members for our June meeting. Our opening is a week away and hopefully we have nice weather. It's going to be a busy weekend and hopefully we all help whenever and wherever possible. Let's remember us, the members of Eastern Yacht Club and that it's our job to make sure our opening is a big success.

Dear Lord, we thank you for bringing those members that were ill, back to us. It's a pleasure to see them. Please continue to watch over these members that are still having health issues. Help them get better, stronger, and back with us soon.

In closing, dear Lord, we thank you for the memories of yesterday, the gift of today, and the hope for peace for everyone, everywhere, for tomorrow and keep our thoughts and prayers for our wounded warriors. Amen
