### Officers and Agents of EYC

Hello Everyone!

Amazing how time flies! Seems just like yesterday we were wearing jackets and jeans. Openings are coming to and end as we have less then 10 to go. Going to keep this article short and sweet as we have a lot of info to roll out about our very own opening day weekend. Thanks to everyone who has helped me put most of it together.

Thanks to Princess Savannah and my Bridge of Officers and Past Commodores for attending Baltimore's Opening.

Commodore Bobby

Thank you to all those who came down and supported the Tiki bar over Memorial Weekend. Glad to see everyone using and cleaning up the Beach. Had a great time cooking on the grill for everyone that attended the small little beach party we had.

Greetings Eastern Family,

## Help please...

We are currently in need of ODs for the **3<sup>rd</sup> Friday of the month** spot (6-2am) and the **4<sup>th</sup> Saturday shift** (7-2am). Please contact me if you are interested in any one of these spots. If you're not sure what an OD (Officer of the Day) is and what the OD does during the work shift, please contact me.

We currently have (2) positions at the yacht club that are going to be filled by members during the remainder of this year (term). These positions are an interim status position and will officially go into effect on June 1st. On Oct 9th 2015 (GMM and elections), these positions will be open for an election. The term for these positions (Human Resource and Bar Manager) is a (3) year term.

I want to thank Sarah Ramsey for taking on the role as Bar Manager and Diane Peffer as Human Resource. Please extend your thanks and support to these ladies!

I want to recognize Terry Bowles for handling the Bar Manager task for the last few years. Terry has been a long time member of EYC. Terry has served EYC members in many capacities from a committee chairman, BOG member and most of all, our Past Commodore of 2011.

I also want to thank Jim Kinard for stepping up to handle the Human Resource duties at EYC. Jim has served EYC members and has held many positions at EYC from the board room, chaired committees and most of all, our Past Commodore of 2013. These individuals, like several past commodores at EYC continue to give their valuable time, EYC love and dedication to the members and our club. These commitments are well beyond their flag officer years. It takes a cohesive group to make this place operate and these guys are the "Top of the Heap"

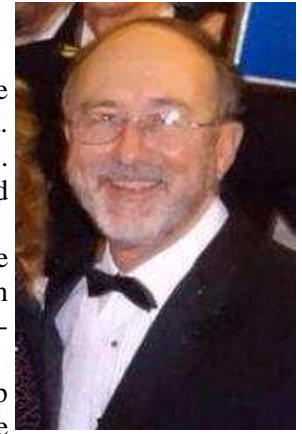

Much Love,

V/C Frank

WOW, what a day. That's all I can say. Saturday, May 11th was Beautification Day at the club and what a turn out. 56 signed the attendance sheet and I'm sure there were a few that didn't. Rounding to 60 and using 5 as the average hours per person, that is 300 man hours or 7.5 man weeks. That's a bunch. There were so many there and so much done. At the end of the day the place looked awesome. I can't thank everyone enough that turned out to make the day a huge success.

Take a look around the club and you will see improvements happening every day. This is due to the hard work our work crews put in through out the year. Much is done behind the scenes, when there is hardly anyone around the club. So when you see a member of the mid-week, 2nd or 4th week-end work crews shake their hand and thank them for all their hard work.

It's that time of year again where we are using the beach and going swimming. Please pick up your trash, and any others you find, and place it in the dumpsters. Also when going to the bath house with sand stuck to you, please use the outside shower to wash it off, don't carry it inside. Also please inform your kids of the same and if going into the showers to keep the shower curtain on the inside of the shower basin. This will help keep our bath hose clean for all that use it. Thanks in advance for your help.

May 25th was, Memorial Day. This is a day set aside to remember those who have died in service to our country. It is a day to reflect, to give thanks to those who paid the ultimate price for our freedom.

## Memorial Day A Bit of History

Memorial Day was borne out of the Civil War and a desire to honor our dead. It was officially proclaimed on 5 May 1868 by General John Logan, national commander of the Grand Army of the Republic, in his General Order No. 11. "The 30th of May, 1868, is designated for the purpose of strewing with flowers, or otherwise decorating the graves of comrades who died in defense of their country during the late rebellion, and whose bodies now lie in almost every city, village and hamlet churchyard in the land," he proclaimed. The date of Decoration Day, as he called it, was chosen because it wasn't the anniversary of any particular battle.

## National Moment of Remembrance

The "National Moment of Remembrance" resolution was passed on Dec 2000 which asks that at 3 p.m. local time, for all Americans "To voluntarily and informally observe in their own way a Moment of remembrance and respect, pausing from whatever they are doing for a moment of silence or listening to 'Taps.'"

# Fleet Captain, Brian Harrison

EYC Family,

Well it's hard to believe that we are approaching June. I want to take some time and thank all of the kids who helped us out on beautification day in the kid's clubhouse. This place was built for you and I was so proud to see all the hard work that you did to make it look so nice.

As we move into June I wanted to remind everyone that the vacation cruise sign up is in the Tiki bar. If you are planning on attending any portion of the vacation cruise you will need to purchase spots on the 60/40 board for all adults that are attending. Additionally there is a sign up sheet on the door of the Tiki bar by the big house that you will need to fill out ASAP with your shirt size if you are attending the cruise. We will be cutting off the shirt orders for the vacation cruise on June 11<sup>th</sup> so please sign up before that.

We will be having the commodore's dinner at Kent Island Yacht club on Friday July 17<sup>th</sup>. If you are planning on attending the dinner please sign up on the vacation cruise sign up sheet. The cost of the dinner is \$20 per person; this event will be cash bar. Please see Stacy or myself for payment of this event. The last day to sign up for the commodores dinner will be June 28<sup>th</sup> so please sign up soon.

I set a goal earlier this year of getting all boats in the basin inspected by opening, so far we are doing pretty good. If you have not had your boat inspected yet please see one of the below people ASAP to get your inspection done. The boat inspections only take a few minutes and it helps ensure the safety of boats in the basin.

A Pier- Brian Hemling

B Pier- Frank Winterling

C Pier- Steve Uhl

Alternates- Brian Harrison, Ron Pepper

## Chesapeake Bay Fun Fact

Chesapeake Bay Fun Fact- The bay receives about half of its water from the ocean. The rest drains into the bay from an enormous 64,000 square mile watershed.

**May 9th  
Beautification Day**  
There were over 50 members who worked very hard to do many projects at the club that day. The weather was a little trying in the beginning but the SUN came out and almost everything on R/C Ron's list got finished.  
**Thanks to everyone who participated .**

# Gulls President, Christine Gannon

Hurray it's June!!

Beautification day was FANTASTIC! The amount of participation this year was great. We got sooo much accomplished. Thank you to Shirley and Thea for doing so much beforehand, it allowed a lot more to get accomplished. The gardens really got a face lift and they look beautiful. Thank you everyone for making this happen it really does make a huge difference when we have a lot of participation.

The beach is all set up again. Take a look at the new beach chairs!! Thank Sarah Ramsey for donating her Gull President money toward this. Also the BOG agreed to pay for 3 of them as well so we have 6 really nice chairs. The flags are all new and pretty, it really does make us stand out from the water.

Last but not least, Opening Weekend is upon us!!! Please remember to sign up and help out with some of the activities going on. As you could see with beautification day if we get help it all goes so smoothly. There are still signup sheets posted that still need people. Thanks to all who have signed up already.

Have a great month and hope to see you around the club.

Chris Gannon  
Gull President

Eastern Yacht Club  
Commodore Bobby  
March meeting, 3/13/15

Dear Lord

We thank you for this day, and the safe arrival this evening of our Commodore Bobby, officers, and members for our March meeting.

Hopeing everyone is surviving this winter weather, with all the snow that probably won't melt til spring, and everyone has been fortunate free, and had a healthy, such free winter. Soon we will be able to shed our "double-layered" clothing, and see day late at least til after six o'clock, and all we have to do is "think spring" till it gets here, soon, God willing.

Dear Lord, please continue to help us to always appreciate the things we have, and not dwell on those things we wish we had. You have truly blessed us, dear Lord, with loving families, friends, and good health, that sometimes we take for granted, but truly always appreciate.

Please continue, dear Lord, to watch over those members that are still dealing with serious health issues, continue to help them to keep a positive attitude toward getting better, stronger, and back with us soon, and always remember they are in our prayers.

In closing, dear Lord, we thank you for the memories of yesterday, the gift of today, and the hope for peace for everyone, everywhere for tomorrow. Hoping everyone has a safe, and Happy Easter.  
Amen

Eastern Yacht Club  
Commodore Bobby  
Apul meeting 4/16/15

Dear Lord

We thank you dear lord, for this day, and the safe arrival this evening of our Commodore Bobby, officers, and members for our Apul meeting. Isn't it great to have warm weather again. I think this winter weather with all that snow was a message to appreciate what is given to us, be it the freezing winter, the scorching hot weather, or life in general, be appreciative of what is given to us, because it could be worse.

Our opening speeches in coming up, and in order for this event to be as successful as it has been in the past, it is up to us as members to make sure we help out where ever necessary, and always remember we are Eastern Yacht Club, the friendliest club on the Bay.

Dear Lord, we thank you for bringing back those members that were ill. It is very nice to see them looking so good, and at the club again, please continue to bless and watch over those members that are still battling with serious health issues. Help them to get better, stronger and back with us soon.

In closing, dear lord, we thank you, for the memory of yesterday, the gift of today, and the hope for peace for everyone, everywhere for tomorrow.

Amen
