Officers and Agents of EYC

Commodore Frank Winterling

Greetings Eastern Family,

Where is the warm weather...? Enough with the rain and cold...

Our family of yacht clubs around the bay Opening Schedule is in full swing. I have been representing Eastern YC every weekend, and enjoying it. Last month I attended 6 openings.

The attendance for Beautification Day was awesome. I think the grounds look amazing. Thank you all for your hard work. I think we are ready for the season. Let go boating...

Eastern Yacht Club's opening weekend is June 9-12. We are going to have many activities throughout the weekend. If you would like to help in any way, please contact First Lady Sharon or me. The opening theme is based on my favorite cinema movie *Top Gun*. We are still looking for acts for the variety show to be held on Saturday evening, June 11th. If you are interested in performing, please see me.

My quote for June: *"It's not about being the best; it's about being better than you were yesterday"*

Much Love, Commodore Frank

Bob Murray Memorial Rockfish Tournament

Postponed until June 4th.

Vice-Commodore, Ron Peffer

It's May, where is all the warm weather? Hopefully by the time you receive this month's Breeze it will be here. Looking at the extended outlook, Memorial Day weekend, according to Accu Weather, we should have highs in the low 80's and falling to around 60 at night with a slight chance of rain. Doubt the water is going to be very warm. Be on the lookout, next month on the 20th at 18:35 EDT, that's 6:35pm for you land lubbers, summer will arrive. I hear she will be bringing warmer weather and a great boating season.

Opening day, weekend, is just around the corner. I hear there are many events planned and there will be something for everyone. Come out and join us for the festivities as our Commodore Frank celebrates our boating season opening for the year.

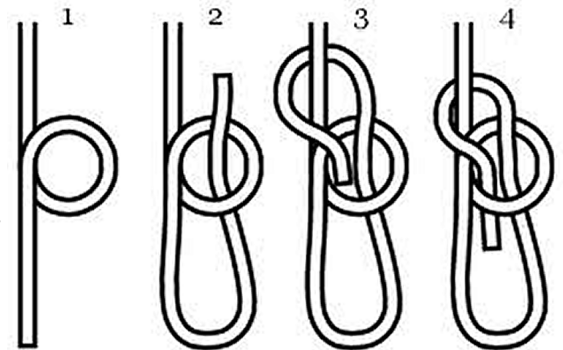

Many thanks to all who turned out for Beautification Day. It was another great success. Flowers were planted, mulch spread, deck boards replaced, driveway drains worked on, and many other jobs completed. The place looks fantastic.

The past couple of weeks I have been asked several times about how to tie a knot, so this month's Nautical Background is how to tie a bowline. It is very easy to tie and untie, you will find it to be one of the most useful knots to know. When you have trash to dispose of please place it in the dumpsters. There are 2 on the grounds, if one is full please use the other one. Don't just set it on the ground. Rocky, our local raccoon, likes to get into it and spread it all over. On a similar note, do not place your boat or picnic trash in the bath house, again it belongs in the dumpsters. This is our club, we all need to work together to keep it clean and a place we can all be proud of.

V/C Ron

Bowline

One of the most useful knots you can know. The Bowline forms a secure loop that will not jam and is easy to tie and untie. The Bowline is most commonly used for forming a fixed loop, large or small at the end of a line. Tried and tested over centuries, this knot is reliable, strong and stable. Even after severe tension is applied it is easy to untie. However, because it does untie so easily it should not be trusted in a life or death situation such as mountain climbing. It is said to retain 60% of the strength of the line in which it is tied.

4TH OF JULY 4TH OF JULY 4TH OF JULY

It's almost June...2nd of July picnic celebration is rapidly approaching. Please plan to be here for the festivities, family style picnic, games, show, food and fireworks.

You as a member and children under 12 are free, all other are \$10.00. Proceeds go to future improvements to the Club and a donation to "No One Left Behind". Pick up your wristlets at the Tiki Bar Or see Sara or Jack to purchase them.

EYCer's

It's hard to believe that it is the end of May; amazingly it still feels like March. Well that aside, I am really looking forward to some warm weather. We have been really busy this spring so far with some major renovation work around the club. The latest is the new wedding pad, which had its first wedding on May 21st. This improvement to the club will make sure that we impress the prospective brides when they look at our club for their special day.

I would also like to thank everyone who came out and helped on Beatification Day, this was a great day and we really accomplished a lot. I would especially like to thank Thea for getting the amazing flowers that were planted as well as providing the layout for where everything went. I would also like to thank the Gulls for the great lunch they provided for the amazing work force we had assembled.

We are now just a few weeks away from our opening, I am really looking forward to a great event. I will be seeking some help on Saturday of the opening to get a few things set up for Sunday so if you have some spare time, please let me know. As usual I would ask that if you see something that needs to be repaired around the club, please let me know so I can make sure we get it taken care of. I am looking forward to a great June with warm weather and toes in the sand. Thanks again to all the effort that each one of you put into making our club great.

R/C Brian

Our House and Grounds committees headed by our V/Comm Ron and R/Comm Brian keep EYC moving forward, not afraid to keep doing all of the necessary repairs needed to the club for the entire membership and our guest.

Fleet Captain, Brian Rockstroh

Hello Everyone,

Although it doesn't feel like it yet... Boating season has arrived. That means it's also time for vessel inspections. As usual we will push to get every boat in the basin inspected by opening weekend. This is an easy process that can be accomplished in ten minutes. Please see me, Stevie Uhl, Brian Hemling or any other officer. You can contact me directly to make special arrangements. 443-250-6439.

Thanks for your cooperation!!

Please remember to book your slips for the Labor Day cruise at Rock Hall Landing 410-639-2224, as well as the Frostbite cruise at Henderson's Wharf 410-732-1049. If you delay, slips will likely not be available.

I need everyone who is attending the Vacation cruise or has a spot on the 60/40 board to fill out the T shirt sign up sheet in the Tiki Bar. I will be looking into a different style shirt for the women since I was made aware of some problems with fitment. If anyone wants a tank top, please note that on the sheet.

Thanks **F/C Brian**

Gulls President, Jim Samm

Hello everyone and happy June!!

So much to look forward to this month and so much to be thankful for in the last month. First I will start with the thanks for May.

Thank you to every one who came out to help for Beautification Day. The place is looking spiffy and new! Big Thanks to PC Thea Coker for helping to organize all of the work and gardening.

Thank you to everyone who helped lend a hand to Tom Potere in getting our fabulous beach up to snuff. It looks awesome!

After the last Breeze was printed, we had our first Wine Glass painting night and it was a very nice time. I would like thank all of the members who attended and especially Caroline Blankenship and First Lady Diane Peffer for all the help.

Oh boy Oh boy! Her come June!!! I hope yall have your boats sea worthy, campers camp worthy and your livers ready for some serious abuse!

At the time I am writing this, I have been notified that The Bob Murray Memorial Rockfish Tournament has been re-scheduled for June the 4th. I guess Bob didn't like the May date.

Our Princess Mackenzie Smith will be competing in the Queen of the Chesapeake pageant on June the 5th. This is actually a very good weekend event held at Maryland Yacht Club. All are welcome to attend, especially on Sunday! Let show our princess some of the EYC Spirit! Lets all wish Mackenzie the best while at the pageant. I am certain she will do us proud!

Next up on the calendar will then be Eastern Yacht Club Opening weekend Festivus Maximus! It is a TOP GUN weekend! The gulls will be having Meat Loaf Dinner on Thursday night for \$13.00 and Italian Dinner night on Friday Evening for \$15.00. The Gulls will also be serving buffet style breakfast on Saturday and Sunday mornings. Sign up sheets are posted in the Tiki Bar for anyone who would like to help us out on any of these projects. Your help would be appreciated.

For opening ceremony, we have the Princess Court and the sign up is in the Tiki Bar. This is a very nice time for the kids and they always steal the show, so get your nieces, nephews, sons, daughters, grandsons and granddaughters signed up :)

Gulls Members and Officers are reminded that dress is White on the topside and Black on the Hull. We should have the first batch of our new t-shirt line up by Opening Weekend. There are two versions, one night and one daytime and all will come with the new beach chair and umbrella design on the front.

Jack and Michelle Tarr are spear heading our Family Fourth of July on July 2nd. Jack has a lot of great things going on and is open to input and would accept any help he can get :) Members are free, children 12 and under are free, all others are \$10.00 and we ask that everyone keep in mind that you are responsible for your guest :)

And lastly, These last 6 months have flown by for me. I can not get over how fast things come at you when you hold the position of President of the Gulls. That being said, I am enjoying the ride and I especially appreciate all the help I receive on a regular basis from Past Presidents and future Presidents.

Our meeting attendance and participation has been excellent and that makes me feel great, I must be doing something right. Keep up the good work Gulls and we are goanna be just fine baby!

Thank you all for your help and support,

God Bless, Jimmy.

May 2016 – General Membership Meeting

Dear Lord,

We thank you for this day, and the safe arrival this evening of our Commodore Frank, Officers, and members for our May meeting.

We have so much to be thankful for, our husbands, wives, children, parents, pets, and the privilege of our wonderful club that will look like a Norman Rockwell painting by Opening Weekend. This is due to the talents, dedication, and determination to make sure our club is as beautiful as well as the Friendliest Club on the Bay. And once again we thank you dear lord, for all our gifted members that give of their time where ever, and whenever necessary to have a successful Opening Weekend. We are truly blessed.

Dear Lord, please continue to watch over those members and families that are still battling serious health problems. Please help them to continue to keep a positive attitude towards getting better, stronger, and back with us soon, and let's always remember them in our prayers.

In closing, dear lord, we thank you for the memories of yesterday, the gift of today, the hope for peace for everyone, everywhere for tomorrow. And let's have a special prayer for our Vets, and never forget the sacrifices for our free country. Have a nice evening, and a Great Month, and let's never forget who gave us the gift of Life. Amen.
