Officers and Agents of EYC

**Commodore
Brian Harrison**

Hello EYC friends,

Well it looks like we are finally getting into better boating weather. I know that I am as excited as I have ever been to get out on the boat and start a relaxing summer. This past month has been a blast; I and the other officers have been attending openings of the other clubs around the bay. The openings are a big part of every club and we are so glad to be a part of their special day.

As I speak of opening I wanted to remind everyone that our opening weekend is June 7-9th. We have a great fun filled weekend of great games, music and food, please come out and enjoy the weekend with us. We have been selling dinner tickets for Thursday, Friday, and Saturday in the Tiki Bar so please pick one up if you would like to attend any of the dinners. I am so blessed to have such a great group of people helping with the planning of this event.

I wanted to express my gratitude to Robin and all the volunteers who showed up for Beautification Day. I am always amazed at how much support we get for these special projects; this is what makes EYC the best club on the bay. The property looks great and it is because of our amazing members.

Lastly, I want to thank everyone for your support. You are the reason that EYC is a success and a place that others want to come to. I wish you a safe and relaxing boating season.

Commodore
Brian

THANKS TO ALL OF OUR MEMBERS AND.....

Thanks to Tom Potere for engineering a sand saver blockade last year, we didn't have to order more sand this year. **R/C Robin**

Thanks Jeff Baier, Terry Bowles, Ron Peffer and most importantly Denny Swiger. These guys have done most of the area preparation and site cleanup for the new building project. **V/C Brian**

Thanks to everyone for your support. You are the reason that EYC is a success and a place that others want to come too. I wish you a safe and relaxing boating season.. **Commodore Brian**

Princess Shelby

Hey everyone,

Happy boating season! Looking forward to our upcoming opening weekend. It will be my last big home event during my reign as princess. Also, just another reminder that penny wars is in action. Bills and pennies add points while silver deducts points. The money goes towards to Queen and Princess fund to help pay for trips and bonding experiences. The competition ends on June 10th and the buckets will be collected at our opening. I can't wait to spend this boating season and my last few months at home with all of you!

Thank you,

Princess Shelby

Dinner Schedule for June posted in Antler Room

Hello Everyone,

Hello Everyone,

Well the boat is in the water but there still haven't been many days to enjoy the water due to the rainy and chilly weather. I know this will change shortly. It will be another Maryland year of winter changing directly to blazing summer days. I'll take it.

It is nice to see we have had a steady stream of new members coming in lately. I welcome all of you and encourage you to get involved with the many activities around the Club. Fleet Captain Rick has our summer cruises lined up and I'm sure they will all be a blast. The Vacation Cruise is something I look forward to every year. I highly recommend attending even if you can't make the whole week. It is a great opportunity to get to know people and I guarantee you will have a fun but more importantly relaxing time.

Opening Weekend is right around the corner! A lot of work has gone on behind the scenes to make this year bigger and better than ever. Meals are lined up, two great bands are booked and many volunteers are working to keep it busy all weekend with many fun activities and contests. I'm sure a few adult beverages will be consumed. Please come to the Flag Raising Ceremony on Sunday(have a Bloody Mary or Mimosa and that hangover will go right away!) and help honor Commodore Brian and 1st Lady Stacy and the incredible efforts and positive vibes they have brought to EYC these last 4 years. Let's all celebrate their accomplishments together.

I need to thank everyone who has helped out on the new building project. It has been a lot of work but we are on schedule for the crew to start the new building on May 29th. I especially need to thank Jeff Baier, Terry Bowles, Ron Pepper and most importantly Denny Swiger. These guys have done most of the area preparation and site cleanup during the week. An interesting side note; We found what looks to be the remnants of the original bath house from when the property was Rockaway Beach underneath the sheds. Progress.

Finally, I also need to acknowledge Mike Loehmer and his staff for getting the kitchen area prepared for the Health Department Inspection. We had a perfect report with zero violations. The inspector sent me a personal Email afterwards just to let me know how impressed he was with our facility and the professionalism of our staff. Way to go Mike. We are lucky to have such a great caterer.

Here's to another great summer at EYC!
V/C Brian

Rear-Commodore, Robin Ashton

Hi All,

Wow, what a turn out for Beautification Day Part 1 and Part 2. We had approx 40 members come out on both days. A lot got accomplished. The beach is ready for summer and looking great. Thanks to Tom Potere for engineering a sand saver blockade last year, we didn't have to order more sand this year. The tree was cut down hovering over the containers. Thank you John Ashton III for supplying the line truck and Denny Swiger for braving the heights to cut it down. The containers were emptied and most hauled away thanks to Terry Bowles for coming through with a huge dumpster. Fender boards were secured on the piers, and some pier boards replaced. Some deck boards were also replaced on the Big House deck and the landing was totally replaced and looks great. A big thank you goes out to the crew that came midweek and painted the Big House deck and black iron tables. Sharon was most pleased. The gardens all look beautiful. Thea's blueprints proved awesome as usual. The Parrot Ice Grill is clean and ready for use. Again, thank you all who helped make our place beautiful. There are too many to name.

We are still in the process of organizing the 2 sheds and preparing for the new big shed. Still have some painting projects in the works. Keep a look out for those lovely emails. Don't know about you, but I am soooo ready for summer fun.

Hello Everyone,

2018 Memorial Day Weekend is upon us, and as we celebrate, Please remember our fallen Brothers and Sisters who fought and died for our Country. They paid the ultimate price for our freedom. Eastern Yacht Club will also celebrate Memorial Day Weekend at Still Pond, by popular request, for our annual Anchor – Out, weather permitting.

Boat Inspections are coming along well. We still have a lot of Boat and R.V Inspections to do before the EYC Opening. Please see Steve Uhl or me for boat inspections and Don Czaplak or me for R.V Inspections. You can call me to make arrangements for your inspections, Cell 443-955-8687.

Beautification Day is a key aspect to Eastern Yacht Club, and is an easy way to bring people together. Planting a few strategically placed plants, flowers, and shrubs, a little painting and a lot of cleaning, the EYC property looks great, Thanks to Thea Coker and Robin Ashton for spearheading this project ! Also a big ‘Thank You’ goes out to the Gulls for having lunch for us all on Saturday.

If you are planning on attending the Commodore’s Dinner at Kent Island, cost \$35 per person, please sign up on the Vacation Cruise Dinner sign-up sheet on back of the 60/40 Board by June 23rd. Please see Suenette or me to pay for this event. You do not have to be on the Cruise to attend. Everyone is welcome to attend our Commodore’s dinner. Safe Boating!
