June 2020

Commodore Robin Bowles

Hi All,

Another month has gone by and we are still in the "social distancing" mode. Not good for a social club. And yes, the club is still closed. Hoping to open tiki when we are allowed 50 or less in a group. Looks like a lot of our boating members are doing their recreational boating making the best of it. I know it is good for the soul to get out in the fresh air and live a little.

Officially our opening weekend has been cancelled. So our yacht club community has cancelled all of their openings. I still feel like I am in the twilight zone, but WE WILL get our lives back to normal. We just will!!!! Living the Life at EYC soon,

Commodore Robin

Princess Kelly

Hello all!!

I've been missing everyone's smiling faces down at EYC. I hope everyone is happy and healthy! I can't wait to be able to see you all again soon.

Since there is not much available to us, I am not sure of what is planned for the future. As of now, my fundraiser is still on for Friday

night, July 24. As the date comes closer, we will update you all. Tickets for the fundraiser and for the Lamar Jackson jersey are still available. If you would like to purchase one, please let me know.

Opening day may have been cancelled, but my hopes are still high for the boating season. I want to wish you all a happy and safe boating season.

I am sorry that, for many of you, this pandemic has cost you greatly.

I wish you all the best of luck and I hope you all stay as happy and healthy as possible!

Princess Kelly '20

Use your head — Slow the spread

All Marylanders are advised to take precautions to slow the spread of COVID-19:

Wash your hands often with soap and water

Cover your mouth and nose while sneezing or coughing

Avoid **touching** your eyes, nose and mouth

Avoid **contact** with sick people

If you are sick, stay home and call your health care provider

Practice social distancing — keep distance between yourself and others and avoid crowds

All Marylanders are also advised to practice social distancing. Social distancing is a way to keep people from interacting closely or frequently enough to spread an infectious disease. Social distancing can take many forms, depending on your lifestyle and your family and work situation, and can include the following habits and steps:

- Avoid handshaking, hugging and other intimate types of greeting
- Avoid non-essential travel (your health care provider may have specific guidance for your situation)
- Avoid crowds, especially in poorly ventilated spaces
- Work from home if possible for your work situation
- Avoid unnecessary errands — consider ways to have essential items, like food and other household supplies, brought to your house through online delivery services or through family or social networks

COVID-19 is a disease caused by a respiratory virus first identified in Wuhan, Hubei Province, China in December, 2019. COVID-19 is a new virus that hasn't caused illness in humans before. Worldwide, COVID-19 has resulted in thousands of infections, causing illness and in some cases death. Cases have spread to countries throughout the world, with more cases reported daily.

When things change for EYC OPEN status you will be notified Stay Safe!

Hello Everyone,

Vice-Commodore, Rickey Pope

Memorial Day Weekend is upon us. As we TRY to celebrate, please remember our fallen brothers and sisters who served, fought and died for our country. We cannot forget all the doctors, nurses and all other health care frontline practitioners who are fighting this virus head-on. GOD BLESS all of you.

Beautification Day was a Success! The Club looks great as it always has, and I want to thank Denny for spearheading this event and as well as everybody who helped. Thank You! As always, Tom Potere led the way in the Beach clean-up again this year, thank you, Tom, for everything you do. Also, folks, please help in keeping our beach clean, putting umbrellas down when not in use, and just watching over OUR beach. Our customary yearly opening and flag-raising ceremony and SALUTING our Commodore has been canceled, as it has been at all other yacht clubs also, So Robin, thank you for your dedication and service at Eastern Yacht Club.

Be safe everyone, see you soon!

V/C Rick

Hello EYC

Rear-Commodore, Denny Swiger

I hope everyone is continuing to doing well as Memorial Day Weekend arrives. Let's begin to reunite our EYC family pier side instead of inside the Tiki Bar and go back to enjoying our time together. As we celebrate, please remember those who fought for our freedom and paid the ultimate price.

I want to give a big "Thank You" to everyone who came to Beautification Day for our annual grounds refresher. This year we worked together cleaned up the flower beds and beach, power washed and put the outdoor furniture back in place on the decks and beach. Also thank you, Gary Dickson, for pulling the ice eaters and cleaning them. Unfortunately we still have to follow social distancing practice. If anyone is looking for a small project to get your hours, let me know and we can make proper arrangements. We

have a list of projects that can be accomplished by one or by a few.

If your boat is in the basin or plans to be in the near future, please drop off a current copy of your insurance in my folder in the stairway or when you see me. Boat inspections are being done, please make arrangements to have your boat's completed.

The remaining yacht club openings are still on hold including ours, hopefully we will be back on schedule soon.

Everyone please stay safe and I look forward to seeing everyone in the near future.

Thanks,

R/C Denny

Hello EYC.

Fleet Captain Pat Lange

We are getting closer to being back but still have a ways to go. Keep your spirits up. At least we can still use our boats.

The vacation cruise is still in flux due to the COVID situation. I remain optimistic that it will happen. I have been in touch with Bodkin's Fleet Captain and they are still figuring out their plans too. I am also contacting the other places (Haven Harbour and Mears) to see what their cancellation policies currently are. Please keep an eye on our Members Page of the EYC website and our Facebook page for any updates.

Boat inspections are going on. Thank you to those that have already been inspected. I will be at the Club each weekend in hopes to get everyone done before our opening weekend. If you cannot be available during the weekend, please call me and make an appointment.

When we get back to a form of normalcy I want implement my plan of "Club Invasions". We are very fortunate to have five other clubs, all within a ten minute boat ride from us. I want to pick a Saturday or Sunday and try to get three or more boats full of members to visit a club and take over their bar for a few hours. It will be rather spontaneous though I will give them a few days notice. Everyone is invited to participate. If you don't have a boat, we'll find you a spot. More come on this later.

Cheers!

F/C Pat Lang

Due to Governor Hogan's recent message about

"With current restrictions "

we still can't open the club. A sad day indeed.

So yes, the club is closed yet another week or month

These are difficult times to say the least. Hang in there.

Enjoy your home time with your family as much as you can.

I will update this as needed. Stay safe out there and wash your hands!

My thoughts and prayers are with you all. We will get through this,
Commodore Robin

A purple arrow points to the 'EYC Members' link in the navigation bar.

<https://www.easteryachtclub.com/>

Our WEB page now has EYC Members sign in area,

For up to date information on everything that is happening at EYC. This page will have updates/changes to events, new events and menus for meals; all will be posted. Initial event info for events must be sent to the secretary, email address: yachtclubeastern2330@gmail.com for emailing to members. It will then also be sent to Randy Depew, our webmaster, to be posted in the **EYC Members** area. After the first notification of an event is sent to members, the person in charge of the event will send updates to the Secretary, who will forward to the webmaster. Mike, our caterer, will send meals information to Randy to be posted. This will ensure that the EYC web page will always have the most current information. Now you won't have to look through so many emails to get the current, up to date information for anything going on at the club. Remember: Commodore Robin is the go-between for members and the Webmaster.

Member area on website, the password is **GOODTIMES** all caps.

We are having a membership sale from January 1, 2020 thru June 30, 2020.

Please tell your family and friends who love our club and would like to bring their boat to our lovely basin. Eastern Yacht Club is a working yacht club. After 5 years, members can buy out their "assigned work duties". At the present it is \$900 per year to buy out. The sale is for anyone joining the club as well as members with fewer than 5 years membership can buy out for \$1800 per year. Normal fees; such as initiation fee, dues, slip fees, pos, etc. will stay the same. (current members will pay a pro-rated fee of \$150 x the number of months between signing up and September, 2020)

While this is a sale to buy out of work duties, it is always appreciated when members help out when needed.

Any questions please ask

Commodore Robin 443-889-7374 Thank you

GBMC NICU Story

GBMC is an independent, community hospital located in Towson that has 322 beds and has over 100,000 patient visits per year. GBMC is a non-profit 501(c)(3) organization, one of the only community hospitals that remains in the greater Baltimore/Washington area. As a non-profit GBMC relies heavily on financial support from the community.

The Neonatal Intensive Care Unit (NICU) at GBMC is a state of the art facility that provides comprehensive care for newborns regardless of gestational age or birthweight. The recently renovated NICU has 13 rooms and 23 beds. The NICU is staffed with highly trained doctors and nurses who provide around the clock care for the babies until they are healthy enough to go home. GBMC delivers more than 4,000 babies each year, but nearly 1 in 10 of them go into the NICU, some for a few hours, some for many weeks.

Donations and grants are in high demand to provide items and services that are not covered by insurance, especially as GBMC lives out its mission: To every patient, every time, we will provide the care that we would want for our own loved ones. These include items not only for the babies, but the parents, too. Some of these awesome items include "beads of courage" in which the baby gets a bead for each major hurdle jumped or milestone made, eventually turning into a keepsake necklace mapping out the baby's journey. Another are Kangaroo chairs in which parent and baby can cuddle with skin to skin contact to provide a physical bond that helps the baby's development and reduce parent's stress. Money is used to pay for sit-in parents to watch over and care for a baby whose parents cannot be at the NICU all the time. Siblings, too young to enter the NICU, are also provided with care and supervision while parents visit their newborn. There's also the medical side, money to provide fortified nutritional milk that is expensive and in high demand, but low in volume. There's equipment upkeep and the list goes on.

The GBMC NICU does amazing work, bringing newborn babies with unimaginable challenges to good health and are able to thrive and grow. To continue to provide these services and to keep advancing with technology and facing the challenges of this world, GBMC NICU needs your donations.

I was born a triplet, at just 28 weeks, at GBMC NICU. Sadly, my one sister became my guardian angel. But my brother and I, at just under 3.5 pounds each, spent several weeks in the NICU, with round the clock care, developing and growing each day until we finally went home.

I am truly grateful for the selfless work of the nurses and doctors who took care of me. Now, I am in a position to help take care of them. I ask you, my family, friends and community, to help me in raising money to support the GBMC NICU.

On **Saturday evening, April 4th**, I am holding a special fundraiser at the Eastern Yacht Club from 6 PM to 10 PM. The event costs just \$40 in return for food, open bar, live music, silent auction, Chinese auction, and many laughs. Please join me for this awesome event for this awesome cause.
