Commodore Rickey Pope

Greetings to All,

There is so much to look forward to in the last week of May and also in the month of June. First, we have Memorial Day Weekend coming up, and as we celebrate, please remember our Fallen Brothers & Sisters who served, fought, and died for our country. They are the true meaning of Memorial Day.

Fleet Captain (Joker) Jim Morin & Fleetress Cindy Morin have an exciting weekend planned for Memorial Day Weekend with Friday Night Margarita & Crush Party; Saturday morning Beach Brunch and Sunday Funday Raft Out in Sue Creek. OH! I guess I can't forget about our Opening Day Weekend coming up on June 10th thru the 13th. Please come join us at our Opening and Flag Raising Ceremony, it will be a great weekend with plenty of food, fun, & activities. There will be visitors from all over and boats will be coming into the Basin for a weekend visit. Let's all show them we ARE the Friendliest Yacht Club on the Bay!

First Lady Suenette & I would like to thank everyone who attended our Ball and I cannot thank enough those of you who helped put this event together, Thank You! We and everyone else, had a wonderful time. Also, I want to thank Rising Tide for playing a couple of tunes, that made my night!

From what I have seen & heard, Beautification Day was a great success. The Landscaping looks great, Tom's Beach was well groomed. R/C Pat Lange, his crew & all the volunteers who helped, thank you for a job well done!

I am looking for a great summer this year and a hole bunch of activities planned. Hope to see you on the Beach or on the Chesapeake, Enjoy!

One last note, I want to thank P/C Jim Kinard for the many years of doing the Breeze from month to month, for such a long time. You did a great job! Also I want to thank P/C Brian Harrison for stepping up and taking the reins in becoming our Breeze Editor-In-Chief.

Hello everyone,

It looks like the warm weather is finally here, boats have returned to the basin and I hope everyone is enjoying EYC. I am excited to get out on the boat and start relaxing while rafting out with fellow members. I welcome all the new members and encourage you to get involved with the many activities the club has to offer.

Beautification Day was a success and the club looks fabulous!!! It was great seeing everyone back, working together around the grounds of the club and meeting new members. Tim and the Parrot Ice grill crew did an awesome job cooking. They will be back to cook again opening weekend. Take a minute when you arrive and admire our spectacular club and venue. Thank you to everyone who participated.

Memorial Day Weekend is fast approaching. Please remember to take a moment to remember all who fought and died for our country, they paid the ultimate price for our freedom. We have a lot of club events coming up starting with Memorial Day festivities. Our Fleet Captain Jim and Fleetress Cindy have a lot of fun activities for the weekend beginning on Friday the 28th with a pier party! Please check out the May Breeze for a complete itinerary. On the following Friday, June 4th we have Rob Baier playing an acoustic show in the Tiki Bar from 7pm to 11pm. Come out and join in the fun and support your Club. June 10th thru the 13th Commodore Rick Pope and First Lady Suenette have an incredible opening weekend planned with great food, games, live music and dancing. This years theme will be Saturday Night Live! And keeping with tradition, skits will be performed by our members and officers. This weekend is always a great time. Everyone is invited to help with the weekend either before to help get things ready or the weekend of the opening. Anything anyone can do to help or donate will be greatly appreciated and we thank you for your support.

V/C Denny

Rear-Commodore, Pat Lange

Hello EYC.

Earlier in May we had our annual Beautification Day and it was spectacular. We had 37 people, both social and regular members, show up and devote some hard work and time into making our club beautiful from weeding and removing the old dead stuff from last year, to planting new flowers, painting and power washing. We also managed to get the beach ready and Parrot Ice Grille open for action. I want to give a huge thank you everyone who came out. I want to thank the Gulls for financing the effort and everyone involved with the cookout afterwards. I also want to thank Vernon Russel for the use of his dump truck in which we were able to discard some big, heavy stuff.

The work crews are working hard to fix many things around the club along with organizing the storage sheds and purging the club of old unused items. We are continuing to make repairs to the piers both physical, power and water. We had to make some major repairs to B-pier's water lines.

Club membership is on a roll with many new social members and a few new regular members. If you know anyone who would be interested to join, please invite them down and we'll try to make the sale! If you see some new members please make them feel welcome.

The Building Fund is holding steady at around \$2,900. We have secured a new bank account for this fund and all checks have been cashed. Again, I thank everyone who donated for their generosity and patience in getting the checks cashed. Anyone can make a donation at any time if they like. Just contact me or place it in the treasurer's box in an envelope clearly marked. I hope everyone has a fun and relaxing Memorial Day weekend and I want to offer well wishes to Commodore Rick and First Lady Suenette for a wonderful and successful opening day weekend. !

Cheers! R/ Pat
