Commodore Robin Bowles

Hi All,

Winter is just trucking on by. Spring will be here before we know it!!! And what a lovely sound that is. We've been keeping ourselves busy with balls, meetings and parties. Going to have to change it up by getting the boat ready for the summer and then, of course, the openings.

Speaking of opening, the theme this year is Saturday Night Live. We are having a planning meeting on March 13th right after the GMM. Please come out with any ideas you may have. Lots of things to plan, skit, raffle, auctions, dinners, entertainment and games. I have some ideas. Ready to hear yours.

Please watch for emails for upcoming land cruises. EYC members always makes our sister clubs feel welcome with lots of delicious foods and entertainment. Fleet Captain Pat has been busy with scheduling those land cruises as well as our own. The casino trip sounds like a blast. The brew trip was a fun time of what people remembered. lol.

Living the Life at EYC,
Commodore Robin

Vice-Commodore, Rickey Pope

Hello All,

March is around the corner and Spring is in the air. Not quite boating season yet but we do have an Action-Packed month ahead of us. We have many land cruises visiting us in March and Fleet Captain Pat & Rose have put together a cruise or two for us to enjoy, can't wait, and also the Gulls have a theme dance coming up. It's going to be a lot of fun, so let's show them our support this month.

Eastern Yacht Club has had several county Inspections in February with a few minor discrepancies but all in all we did well. Denny and his work crews are taking care of business, repairing, and touching up with paint thru out.

So, enjoy the Spring time and enjoy all the events, Thank You All!

V/C, Rick

Rear-Commodore, Denny Swiger

Hello everyone

As we say farewell to February we welcome SPRING, March 19th is the first day and the countdown to boating weather is on.

I want to thank my work groups for their support and work that they've done around the club over the winter, the improvements look fabulous. Now that the indoor projects are complete, our new focus will be on the piers.

Thank you F/C Pat for putting together a new and fun land cruise to the breweries. The group, food and weather were perfect for the adventure. Looking forward to your next trip. Also looking forward to our incoming land cruises. I am really excited about 3C's, our theme has been chosen and is registered! We are going to get a jump start on things and get building during the summer. We hope this allows others to be able to contribute their talents to theme.

R/C Denny

Fleet Captain Pat Lange

Hello EYC.

Spring is getting close. It won't be long before we turn the clocks forward and get more daylight in the afternoon – more time to work on getting our boats ready!

The brewery bus was a ton of fun and I am so thankful for everyone who participated. I will organize another one maybe later in the year. On February 29th we have the "Winter Blues Cruise" to MGM Grand Hotel and Casino followed by the National Harbor Waterfront Park. There are still some seats left at \$35 per person. Contact me for more details.

On March 14th, we will celebrate my favorite holiday with our annual St. Patty's day bus cruise. We'll have two buses and we'll will be visiting three of our fellow yacht clubs, Bodkin followed by Maryland followed by Middle River. We may even make a stop at the Crazy Tuna if time allows. A sign-up sheet will be posted this weekend. So far, we have four incoming land cruises set up. March 7 is North Point at 5 PM, March 21 Bush River is coming in around 12:30, March 28, Crescent at 2 and April 11, Sue Haven likely around 1 PM. I am going to put together a schedule that will be periodically e-mailed out as well as posted in the Tiki.

I am also working on details for the vacation cruise. It looks like we will start at Bodkin, go to Haven Harbour then Great Oaks Landing in Fairlee Creek. The Commodore's dinner will be held at EYC on July 18. The 60/40 board is posted in the Tiki Bar; buy a number for \$40 and get a chance to win \$40 every Friday starting February 28.

Finally, I am planning a Beer, Bourbon and Barbeque event at EYC to be held on Saturday, May 16th. I am looking for all backyard chefs who want to show off their grilling/smoking talents. Everyone is welcome to come and enjoy a nice afternoon on the lawn with lots of good food, some bourbons and locally made beers to taste. This is also Beautification Day and Preakness. So, come on down and pull a few weeds, plant a few flowers, then rest yourself with a baby back rib and a refreshing Black-eyed Susan.

Cheers! F/C Pat Lang

Hello all!

Princess Kelly

It's just about March and Ball season is a wrap. I had so much fun with attending the many balls with Commodore Robin and First Gent Terry. Now we are looking forward to Club Openings and spending more time with my fellow princesses – outside!

Tickets for my fundraiser are now available. They are \$40 each. The affair is on April 4th from 6 PM to 10 PM. Please come and support the GBMC NICU. To learn more about GBMC and what they do, please see my flyer posted in the Tiki Bar or you can find it on Facebook.

The Lamar Jackson Jersey is in the house! The jersey is now set in a beautiful frame with a bonus picture added in. The jersey is autographed by Lamar Jackson (certificate of authenticity included) and we are raffling it off for \$20 per ticket. This raffle will go off on Saturday night June 13, the night before our official open. Please purchase a ticket, again to support the GBMC NICU.

I need to turn up the "Pier Pressure" for the fundraiser. I am challenging the members from each pier to assemble a gift box for auction. I am asking for one box made for each pier. I am also challenging the Gulls, the BOG/Bridge and the RV's to assemble a box as well. We'll see who can make the box that raises the most money. If anyone has anything they'd like to donate for auction or to be a part of a gift box please let me know. It can be an item, gift card, a service, sports tickets, etc. Please help support this cause. 100% of the profits raised go to GBMC.

Finally, the Penny Wars have started. The box is on the Tiki Bar. Please fill the box with either pennies or paper money. DO NOT put any silver coins in the bucket. Silver is BAD. We are going to win this year!

Thank you so much for your support!

GBMC NICU Story

GBMC is an independent, community hospital located in Towson that has 322 beds and has over 100,000 patient visits per year. GBMC is a non-profit 501(c)(3) organization, one of the only community hospitals that remains in the greater Baltimore/Washington area. As a non-profit GBMC relies heavily on financial support from the community.

The Neonatal Intensive Care Unit (NICU) at GBMC is a state of the art facility that provides comprehensive care for newborns regardless of gestational age or birthweight. The recently renovated NICU has 13 rooms and 23 beds. The NICU is staffed with highly trained doctors and nurses who provide around the clock care for the babies until they are healthy enough to go home. GBMC delivers more than 4,000 babies each year, but nearly 1 in 10 of them go into the NICU, some for a few hours, some for many weeks.

Donations and grants are in high demand to provide items and services that are not covered by insurance, especially as GBMC lives out its mission: To every patient, every time, we will provide the care that we would want for our own loved ones. These include items not only for the babies, but the parents, too. Some of these awesome items include "beads of courage" in which the baby gets a bead for each major hurdle jumped or milestone made, eventually turning into a keepsake necklace mapping out the baby's journey. Another are Kangaroo chairs in which parent and baby can cuddle with skin to skin contact to provide a physical bond that helps the baby's development and reduce parent's stress. Money is used to pay for sit-in parents to watch over and care for a baby whose parents cannot be at the NICU all the time. Siblings, too young to enter the NICU, are also provided with care and supervision while parents visit their newborn. There's also the medical side, money to provide fortified nutritional milk that is expensive and in high demand, but low in volume. There's equipment upkeep and the list goes on.

The GBMC NICU does amazing work, bringing newborn babies with unimaginable challenges to good health and are able to thrive and grow. To continue to provide these services and to keep advancing with technology and facing the challenges of this world, GBMC NICU needs your donations.

I was born a triplet, at just 28 weeks, at GBMC NICU. Sadly, my one sister became my guardian angel. But my brother and I, at just under 3.5 pounds each, spent several weeks in the NICU, with round the clock care, developing and growing each day until we finally went home.

I am truly grateful for the selfless work of the nurses and doctors who took care of me. Now, I am in a position to help take care of them. I ask you, my family, friends and community, to help me in raising money to support the GBMC NICU.

On **Saturday evening, April 4th**, I am holding a special fundraiser at the Eastern Yacht Club from 6 PM to 10 PM. The event costs just \$40 in return for food, open bar, live music, silent auction, Chinese auction, and many laughs. Please join me for this awesome event for this awesome cause.
