Happy May EYC Family,

Well, the weather is finally starting to change and after the long winter there is nothing that makes me happier than spending time on the boat. We have had an active winter around the club, but nothing beats sitting outside and enjoying the amazing atmosphere that we have.

I wanted to start this month with telling everyone how proud I am of our Princess Shelby. She held her fund raiser for Believe in Tomorrow Children's fund. Shelby spent a great deal of time and effort to make sure that this event was the best that it could be. The results were amazing, she raised over \$12,500 for the charity. I want to thank everyone who came out and supported Shelby as well as those who donated baskets and gifts for the silent auction. Your help and support mean so much to us.

We are still working on planning for the EYC opening weekend. We will be hosting a few more meetings prior to opening so we can make sure we have the best weekend possible. There are signup sheets in the Tiki bar for a few times that we will need volunteers for the opening weekend. I thank you for your support

We will be starting the process of getting the club ready for the summer soon. Please come out and help us on our beatification day May 12th. This is an amazing day where we clean up around the property and plant new flowers and mulch the gardens. If you have not been in the past I we would love to see you. It is a great chance to hang out with some great people and the results we see by the end of the day are amazing.

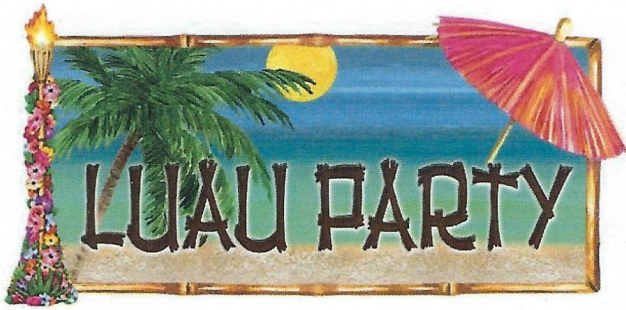

I know I have said this before, but I will continue to say it. I am so proud of the amazing club that we have. We are fortunate to have the great people and location that we have. I am honored to be able to serve as Commodore this year and proud to call EYC home.

Thanks  
Commodore Brian

## *Princess Shelby*

Hi everyone,

Huge thank you to everybody who was able to attend my fundraiser on April 7th! The night was a huge success. After expenses, I was able to donate \$12,500 to Believe in Tomorrow Children's Foundation. I have now donated a total of \$14,000 to the charity. I also want to thank anybody who donated anything or bought raffle tickets because that played a major role. I especially want to thank Rising Tide for donating their time to perform at the fundraiser. To continue my support for Believe in Tomorrow I will be participating in their Port to Fort 6K on April 21st. Now that everything is done for the fundraiser, I'm looking forward to the upcoming openings and my senior events at school. As always, I can't express how much I appreciate everyone's support.

Thank you, Princess Shelby

**Dinner Schedule for May posted in Antler Room**

# Vice-Commodore, Brian Rockstroh

Hello Everyone,

I am so proud of Princess Shelby and her accomplishment with the fundraiser. She was able to donate a huge check to her charity Believe In Tomorrow at the last G.M.M.. That kind of money truly makes a difference and the director James was thrilled to tell us how far that money will go. A lot of effort went into the event and I would like to recognize not only Princess Shelby but also her mom Karrie and her aunt Tina for their hard work in helping her secure donations and organize the benefit. Big thanks go out to all who donated and helped before and during the event and all who opened their wallets that night to help a great cause.

So far Shelby has raised \$14,000 for her charity thru hard work and dedication. This would be a major accomplishment for any age but even more so for an 18 year old senior in high school getting ready for college. As her uncle this makes me secure knowing she can accomplish anything she puts her mind to and I look forward to a bright future for this young lady. I know she will continue to make us all proud.

By the way, has anybody seen this mythical creature they call spring? I'm starting to wonder if it will ever arrive.

V/C Brian

# Rear-Commodore, Robin Ashton

Hi All,

I think spring is here! Not quite sure. Trying to wait patiently. So we have a big project in the works. The containers behind the RVs will be removed if not already. We will move the sheds to that spot. And we are building a nice sized pole barn to house our tractor among other things which will be located where the sheds were. Thank you to all in helping in this project. The piers have been worked on and are ready for the summer. Thank you to all who helped in this as well. Looks like the beach is ready for grilling and sunbathing. Thank you Tom Potere and his crew.

Beautification Day is May 12th. We start at 9am. Please come out and help us make EYC's grounds ready for the summer. We usually have a good turn out and we get a lot done. Thea Coker will give us some direction using her expertise. We still have those painting projects to do if the weather would let us. Please keep a look out for emails to participate in painting the deck and black iron furniture.

# Fleet Captain Rickey Pope

Hello all,

As of this writing, April showers are still here, and bringing in May Flowers, and it's great to see the members and their shiny boats making their way back to EYC.

Suenette and I would like to thank everyone who participated, by bringing food and your hospitality, in welcoming all the Land Cruises that visited EYC. I want to thank the Bridge and their spouses for your help, and your words of encouragement. I also want to thank all those who helped with setting and cleaning up to help the land cruises run smoothly, or as smoothly as they can, with standing room only at times this year in the Tiki Bar. We really couldn't have done it without your help. Also, a special thanks go out to

Mickey, thank you for your driving force behind the 50/50 and raffle sales, you definitely have a way with words that makes it hard to say "NO" to. Let's not forget Saturday, April 28th, our final land cruise, we have West End Yacht Club visiting us from 11:30 to 1:30. Please come out to help welcome West End Yacht club, and a dish/dessert would be much appreciated.

The Vacation Cruise itinerary posted in the TIKI BAR. We will depart for Bodkin's Yacht club, at 10 A.M. on Saturday July 14th. Then to Rock Hall Landing on Monday, July 16th, and depart on July 18th to Kent Island Yacht club for our final designation, where our Commodore's Dinner will be held on Friday July 20th at 6 P.M. Anyone who plans on attending the Vacation Cruise must participate, by placing your name on the 60/40 board, cost \$40 Per Person. They're still chances to win \$40 on the Friday's night drawing. Also, there is a Vacation Cruise Float Planning sheet on the back of the 60/40 board that must be filled out as soon as possible, for those who are floating away with us on our vacation cruise. Please don't forget to include your shirt size too. Thanks again for everything!

# Gulls President, Terry Bowles

Hello Everyone,

A big thank you to Debbie Blankenship and Julie Beyrodt for hosting our Easter Dinner. I have heard nothing but praise on how this event turned out. I would also like to thank all of you who helped make the day a great success. There are too many to mention. Next year we will make the sign up process a bit better. Hopefully everyone who wants to come will be able to.

Thank you Christy Gannon for hosting the Bar Bingo in April. And of course your helpers, Genine Bowles, Jim Foard and Diane Peffer, thank you too.

Remember ♣ is a club, and ♠ is a spade..lol.

Our next Lottery is for the month of July. It goes on sale this month. Keep a look out.

Come join the Gulls!!! It's \$15 a year to join and you get \$5 off on each Gull event!! This is a work hard, play harder auxiliary club that benefits all of Eastern Yacht Club. Our meetings are 1 hour before the GMM meetings. Come check us out.

Our next Bar Bingo is May4th!!! Come out and play with us. It's always a good time. Dinner starts at 6pm and Bingo starts at 7pm.

Work Hard, Play Harder,

P/C Terry Bowles
