## Officers and Agents of EYC

### Commodore Rickey Pope

Hello All,

It definitely feels like spring now. And the boats are heading back into the basin, all nice & clean and ready to go cruising. Spring means spring cleaning around the Club each year and this year will be no different. R/C Pat has plans for Beautification Day

this month and I hope we have a lot of volunteers as we had in the past. We are still in the planning mode for EYC Opening, skits, food, games, and music and much more. Yacht club openings at different yacht clubs are meant for everyone to visit and it's an annual tradition for many clubs.

Suenette and I have been attending balls each week and have really enjoyed them. Each week we meet new people from other clubs and have had such a great time. Several weeks ago our daughter was married here at Eastern. I was a very proud father, and I can't thank everyone for their help and support. I'm going to keep my Breeze article short this month, so enjoy all the activities; here at Eastern and other clubs. Thanks.  
Rick Pope, Commodore

Please check out page seven that has the form for submitting an ad for our Opening Day book. Thanks for your support for the club by submitting an ad.

# **Eastern Yacht Club Beautification Day May 8th 830AM**

Hello EYC.

It's that time of year again: Beautification Day. It's on May 8th. I am inviting and encouraging all members, A and Social, to come to the club on Saturday morning around 8:30-9:00 where we will assemble for a short period of time and review the day's plan. Coffee and donuts will be available. Then we'll get to work.

For new members, this is a day that we attack the club's grounds and make them beautiful again. I have lots of tasks planned and we have a short time to do them. We will be weeding all of the gardens, planting new flowers, mulching, relocating some shrubs, getting the Tiki Bar deck and big house deck ready, power washing, setting some pavers and preparing the beach. While the club has numerous tools, you are invited to bring your own if you like. Blowers, rakes and garden hand tools are needed. You should bring work gloves too. We have 2 decent blowers but 2 more won't hurt and chain saw might be needed.

We should be done by 1:00 at which time we will celebrate with a cookout, cold drinks and lots of laughs. This is a great opportunity to meet new people and get to know the club a little better. Bring your wife, husband and kids - it's for members and their families.

We are also in the process of cleaning out the tool sheds again, including the pole barn. If you are storing materials in either of these structures that do not necessarily belong to EYC I need to know about them. Doesn't mean they gotta go (yet) but just want to know who things belong to.

There is an old scooter, a carpet washer and a few other items that have been set out near the front of the tool sheds. Please contact me or claim them otherwise they will be disappearing fast. These items have been in the sheds for a very long time and have not been used. It's time to part ways with these items...

Thank you. Pat Lange R/C

**PS - you can reach me by mail or phone (410) 746-8801**

# Vice-Commodore, Denny Swiger

Hello Everyone

And Hello Spring! As the weather warming, the basin is filling. It's wonderful to see boats returning and people returning to EYC in anticipation of the warm weather activities. The P/C Commodore's Seafood Feast was a good evening and a chance to catch up with members and enjoy the fun evening events, thank you IPC Robin and family.

May is a busy time, we have Beautification Day, Mother's Day, Memorial Day weekend and we need to prepare for our Opening Weekend. I hope we can all join together to help R/C Pat make our club grounds beautiful again. All members are welcome to lend a hand. It is a rewarding member bonding day to meet new members and reunite with those that haven't been around because of winter or COVID. Every year around the bay begins a springtime ritual of club openings. Last year, unfortunately, most were canceled or limited to members only. Hopefully this year will be different and we will be able to travel to our sister clubs and share in our common passion for boating and get reacquainted with our yacht club friends.

V/C Denny

# Rear-Commodore, Pat Lange

Hello EYC.

I'd like to congratulate IPC Robin Bowles for a successful and fun Seafood Fest. It was a great party. I want to thank all my work crews for their hard work and dedication to making EYC shine above all others. We've been doing a lot of repairs, cleaning, and painting. We had to replace the water heater serving the big house last month – thank you new A member, Kevin McCarty. We have now moved our attention to the piers. C-pier was power-washed and looks great. We hope to get to A & B very soon. Electrical and plumbing is being repaired. Just a reminder that boat owners are responsible for the appearance of your slip. Please stop and take a look around and see if there are any things that need to be improved, cleaned, replaced etc. Please remove/replace ragged rub rails, broken fenders, etc. If you need help please don't hesitate to reach out to me. I have several finger piers on my list to repair.

The building fund response has been excellent, and we were up to \$3,285, less the cost of the water heater. I apologize for your checks not being readily cashed. We've had a lot of difficulty in getting an appointment at a bank to set up a new checking account. I can assure you the checks will be cashed soon and that your donations are very much appreciated.

Beautification day is scheduled for Saturday, May 8th. We will assemble around 8:30am for coffee and donuts and get to work around 9:00. ALL members, A and social, are welcome and encouraged to come. It really is a fun day and great way for new members to meet people. I have lots of tasks planned. We'll celebrate our accomplishments with an old fashioned cookout once we finish. Lastly, there's a number of small projects to be done around the club and the work crews can only get so much done. Anyone who wants to volunteer an hour or so please contact me and I will set you up with a project. Time is short but the work list is long. I very much appreciate everyone's help and support in making our club the best on the bay. Cheers! R/C

Hello Everyone!

# Fleet Captain Jim Morin

Summer is almost upon us and our vacation cruise planning is in full effect. This year's cruise will take place July 10-17<sup>th</sup>. Our cruise will take us to Great Oaks Mears Landing, Safe Harbor Narrows Point and North Point Marina in Rock Hall. If you plan to join us but have not yet notified me, please do so soon. I will be happy to share with you our itinerary and booking information. We will hold a meeting in June to discuss the final itinerary, food and games.

I am currently in the planning stages of organizing a casino bus trip. It has been a challenge due to COVID and casino restrictions with tour groups. Once details are finalized, an email will be sent to membership and additional details posted in the Tiki Bar.

Join us at the club on Memorial Weekend for lots of fun activities (Pier Party on Friday Night, Brunch and Fire Pit Party on Saturday and Raft Out on Sunday). Additional details will be sent out via email and posted in the Tiki Bar. Don't miss the fun!

As boats begin to return to the basin, just a reminder that inspections will be starting very soon. If you have any questions please see Bob Wilkins or me for additional information.

Thank you Vice Commodore Denny, his wife Jane, Past Commodore Frank Winterling and our Auxiliary for our fun EYC bingo nights.

Thank you to Past Commodore Robin Bowles for a great Seafood Fest. A great time was had by all. Congratulations to Commodore Rick and First Lady Suenette on a successful year. Thank you for everything you have done for our club. It was an honor attending the Commodore's Masquerade Ball. Everything was perfect and everyone had a great time!

Thanks F/C Jim

mherster315@gmail.com**

### April 2021

**Past Commodore, Ron Pepper**, was hospitalized April 3, 2021 with pneumonia, determined to be COVID positive. He has received the new monoclonal antibody therapy plus steroids. He may be discharged this weekend some time. He will need to come home on oxygen as with activity his oxygen saturation does drop.

**Past First Lady, Diane Pepper** is COVID positive but received the new monoclonal antibody therapy infusion as an outpatient. She felt much better after her infusion. She is home recovering.

**Anonymous Members** have been hospitalized but are now home recovering from pneumonia.

**Please keep** all of our sick members in your prayers.

**Today we had over 1800** new cases of COVID-19, reported in Maryland. The new variants are highly contagious. I encourage all members to wear their masks and maintain social distancing. The variants are causing the younger folks to become sick with the middle age group becoming the ICU patients on ventilators.

**Dave Ellis** has also contacted the COVID-19. He is at home recovering as far as I know. Not hospitalized

Respectfully submitted,
