Officers and Agents of EYC

Commodore Bobby Kuhl

Hi Everyone,

This will be my last article as Commodore! Man, has the time flown by. I can't thank everyone enough for all your love and support over the past four years. We as a club have had our ups and downs but we, as family, manage to find a way to stay strong and pull through it.

Thanks to all those members and friends who attended the Members' Appreciation. It was a fun filled night with great food. I again want to thank everyone for all your hard work and dedication to making Eastern Yacht Club what it is today.

Thank you to a very special person: Christine Gannon, the Gulls' President. It was a honor to serve along side you this year. We started together four years ago and found ourselves back at the head of the table this year. You and your Gulls are truly amazing people and go above and beyond for Eastern and I can never thank you enough.

To my Officers, gentlemen are truly one of a kind. Definitely has been a interesting and fun ride over the past four years. I could not think of a better bunch of guys to share my time with. I wish you all the best of luck on your way to the top.

Reminder: Fleet Review is moved to September 27th 11am.

Thanks again Everyone!
Commodore Bobby Kuhl

"The Friendliest Yacht Club on the Bay"

Vice-Commodore, Frank Winterling

Greetings Eastern Family,

The last report as your Vice Commodore...wow, did this year fly by or what?...

I want to thank everyone who helped make my VC year a good year. So many events with the house rentals, fireworks, wine and blues, family day, visiting clubs and other events that I'm sure I failed to mention were all very successful. The success doesn't happen by accident, the success is calculated. Everyone has a role in the success. Some may have more than others but we all play a part in the success of this club. I do appreciate your help and participation. I'm looking forward to serving you as your Commodore.

I have to say my favorite event is the Member Appreciation Party. This is a "feel-good" event to recognize many of our members. If I had my wish, every meeting would be a member appreciate meeting with awards of recognition. I hope all that attended had a good time...I sure did.

(Award recipient's at Membership Appreciation)

I'm looking forward to seeing everyone at our Change of Watch on October 9th. At the next meeting, we will have elections for many positions. The club has had several open positions for some time now. A couple of positions that are important within the yachting community are the YCM and the CBYCA delegates. The positions require an individual to attend a monthly meeting and report important meeting information back to our EYC membership during our GMM. Please consider being a representative.

My quote for October...

“ every opportunity has its difficulties, so the path of least resistance may not be the best path...”

Much Love, V/C Frank

Rear-Commodore, Ron Peffer

The summer is winding down and fall is in the air. Even so there are still plenty of boating days to enjoy. Not only are we looking forward to the frost bite cruise but to the scenery around the bay as the leaves change color.

My time as your R/C is winding down and I must say I have had a great time working with everyone maintaining the grounds of our great club. I can't thank everyone enough for your help and dedication for all you do. I know you will do the same for Brian as he takes over,

Last year as I took over the position of R/C I asked everyone to keep track of their hours and send them to me. Some did not like the idea but the hours kept coming in. The whole idea was to find out what it takes to keep the club running. Remember this is only reported time, there were many more hours not reported such as time working special events and projects or just doing odds and ends to keep our club in the great shape it is. There were over 5400 hours reported which equates to 134 man weeks or 2 1/2 years for 1 person. Beautification day we had 60 sign the attendance sheet, at 5 hours each that equates to 300 hours or 7 1/2 weeks for 1 person. If we were to pay \$15.00 an hour to someone to do all this work it would cost \$85,500.00. So give yourselves a big round of applause, you deserve it.

This last weekend when I took some trash to the dumpster what I saw inside upset me very much. In someone's trash were 6 small American Flags. I dug this trash out of the dumpster and removed the flags so they could be disposed of properly.

As a revered symbol of freedom and justice, the flag of the United States of America needs to be treated with the utmost respect. This respect extends to the flag's eventual retirement and destruction. The United States Flag Code (4 USC Sec 8 Para (k) Amended 7 July 1976) states: "The Flag, when it is in such condition that it is no longer a fitting emblem of display, should be destroyed in a dignified way, preferably by burning.

R/C Ron

FLAG DISPOSAL:

1. The flag should be folded in its customary manner.
2. It is important that the fire be fairly large and of sufficient intensity to ensure complete burning of the flag.
3. Place the flag on the fire.
4. The individual(s) can come to attention, salute the flag, recite the Pledge of Allegiance and have a brief period of silent reflection.
5. After the flag is completely consumed, the fire should then be safely extinguished and the ashes buried.
6. Please make sure you are conforming to local/state fire codes or ordinances.

You can take old Flags to a VFW, American Legion, give them to the Boy or Girl Scouts of America, the US Military, or give them to me.

A Bit of Nautical background

Before the mast

Literally, the area of a ship before the foremast (the forecastle). Most often used to refer to men whose living quarters are located here, officers being quartered in the stern-most areas of the ship (near the quarterdeck). Officer-trainees lived between the two ends of the ship and become known as "midshipmen". Crew members who started out as seamen, then became midshipmen, and later, officers, were said to have gone from "one end of the ship to the other"

(also see hawsepiper).

Gulls President, Christine Gannon

Happy Halloween Everyone!!

As this is my last Breeze Article, I would like to say it has been my pleasure being the President of the Gulls. It was a lot of work but also a lot of fun. Thank you for all of your support.

September was another busy month with the, Family Day Picnic and Member Appreciation Night, Danny Bowles rockfish tournament, Fleet review. Seems like there is always something going on! Congratulations to Diane Pepper and Brian Hemling for winning the 100% raffle on slip night.

CONGRATULATIONS to Mackenzie Smith

on becoming our 2016 Princess. I have no doubt you will represent us wonderfully.

The Change of Watch is during Octobers GMM so we will be having our usual chip in dinner. Please bring a dish to share. We would like to try to coordinate a little with some to bring main dishes, appetizers desserts, sides so we will have a signup sheet in the Tiki bar if you know what you are bringing.

Frost Bite cruise is at Henderson's Warf for the Fells Point Festival. Always a great time!!

The next Gulls event will be the Crab feast see flyer attached. It is Saturday October 17th.

Tickets are still on sale. Please see Jimmy Samms or myself with any questions.

Tickets are on sale at the Tiki bar.

Your next Gull President, Jimmy Samms is coming up with some great new ideas and fun activities for the rest of and next season, please continue to support. Please look for flyers or emails on our November event!! Thank you Jim, looking forward to working with you.

Wishing everyone a great rest of the year, hopefully not too much snow!! Have a great month and hope to see you around the club. Spring will be here before you know it!!

Chris Gannon

Gull President

October 2015 Sick and Welfare

By Robin Ashton

Please keep all of our EYC members, their family and friends in your thoughts and prayers during their time of need:

Rose Lange's mom passed away Sept 15th.

Fred Puhl is home recovering. His recovery is going very slowly.

On a good note:

Elfriede and John Ashton Jr celebrated their 58th wedding anniversary on September 22nd.

Contact Robin Ashton at spunky508@live.com or 443-889-7374 for sick and welfare news. It would be nice to hear lovely news as well; such as births, weddings, and graduations etc. **THE SOONER WE KNOW, THE SOONER EYC'S WELL WISHES CAN BE SENT THANK YOU!!**

Fleet Captain, Brian Harrison

EYC Family,

Well it's hard to believe but my year as fleet captain is fast approaching an end. I would like to take the time to thank you all for the support that you have given me over the last year. I have really enjoyed all the trips and special times that we have shared. I look forward to another great year next year and appreciate your continued support.

I wanted to remind everyone that we will be doing the Frostbite Cruise October 2nd through October 4th. We will be heading downtown for the Fells Point Festival and staying at Henderson's Wharf Marina. Please note that we will Chili cook-off again this year on Saturday evening so bring your best recipe and show us who is the true EYC Iron Chef. We will also be having a pier part on Friday evening so bring an appetizer. I will send out more details later this week with times for the cook off and pier party.

Henderson's Wharf Marina- 410-732-1049, October 2nd to the 4th.

Reservations are under Eastern Yacht club

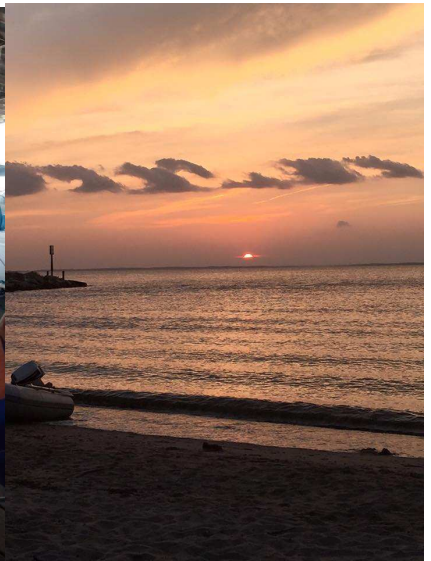

Lastly, please save the date October 24th as EYC will be celebrating our fist voyage with the new fleet. Our annual pirates cruise is always a great time and we get to show our fellow clubs on the bay exactly how fun we truly are. There will be more details to come soon about the trip, also if you are willing to let some fellow pirates sail the high seas of middle river with you that would be great. We would like to have 3 or 4 boats if possible to move the group from club to club.

Thank you

F/C Brian
