### Commodore Brian Harrison

Hello EYC family,

Well, it is hard for me to believe but this is my last Breeze article as an officer of Eastern Yacht Club. I have been thinking over the past month about how fast the 4 years have gone by. In October we will be having our change of watch at which time I get the honor of handing over the commodore responsibilities to not only a great officer but also a great friend. Brian and Tina have represented

the club so well over the past years and I cannot wait to support them next year.

I wanted to start by thanking every one of you; I know in the past I have told you how special and amazing the membership of Eastern Yacht Club is. These are more than words, I truly am amazed at the level of support that you provide to making this club a better place each day. You welcomed me in 4 years ago as Fleet Captain and have supported me all the way through my time as an officer. This is something that I will never forget. I truly believe that together we have made Eastern Yacht Club stronger over the past few years.

I also want to thank my amazing bridge: you guys rock. When you are surrounded by great people it makes everything easy. Brian, Robin, Rick, Don, and Jen, you guys put so much time and dedication into every aspect of your jobs. It has truly been an honor to have you by my side. Next I wanted to thank the Board of Governors, one thing that I have found over the past 4 years is that we have a great group on the board whose only goal is advancing the interests of the club. The time and dedication that these members provide to make sure that EYC is strong moving into the future is amazing.

As I bring my last article to a close, I just want to finish by saying thank you. You put your trust in me to lead the club over the past 4 years and it has been a truly humbling experience. You all hold a special place in my heart. The time spent getting closer to people and really getting to spend quality time with so many of you has made this one of the most rewarding experiences I could have ever imagined.

Commodore Brian

# Vice-Commodore, Brian Rockstroh

Hello Everyone,

It is hard to admit but another boating season is winding down. However, this is my personal favorite time of the year for a boat ride. It's not too hot and the river is a lot less crowded. I plan on squeezing as much time on the boat as I can in the next month or so. The Frost Bite Cruise is approaching as well as Fleet Review. For the non boat owners out there, I would suggest tagging along on a participating boat for the Fleet Review. This is a fun afternoon and a great way to thank the Commodore and 1st Lady for their service. Don't be shy about asking for a ride. I am sure we can make room for everyone that would like to participate.

For anyone who would like to be a part of the Commodore's Ball Committee, we will be announcing a meeting date soon by email. As always I appreciate everyone's enthusiasm and hard work.

Thanks V/C Brian

# Rear-Commodore, Robin Bowles

Hi All,

It was a pleasure working with Commodore Brian and First Lady Stacy. Watching and being a part of their four years was entertaining, enlightening, busy and rewarding.

This is my last Breeze article as your Rear Commodore. The year went quite fast, actually. I was a bit apprehensive taking on this particular role. I was assured that I would have all kinds of help. "Just make the list, it will get done" is what I was told. I think all of my work crews know all about my lists. And yes, everything did get done and I thank all of you for helping this past year. I will turn the reins over to Rick and he is eager to start new projects.

So on to a new year and a new role. I am looking forward to being your Vice Commodore as well as welcoming our new Fleet Captain Denny. **Pending Member posted in Tiki bar:** Maryanne Smith Social Ronald Bergman Social

Hello Everyone,

Fall season is around the corner, and there is still plenty of boating and R.Ving to do in the up and coming weeks. The Frost Bite cruise is coming up on Friday October 5th. And Saturday the 6th. at Henderson's wharf in Fells Point. We also have our Fleet Review on October 7th. At 1 P.M and also a great way to show your appreciation and Thanks to our Commodore Brian and our First Lady Stacy Harrison and also to our Princess Shelby Armetta. After the Fleet Review we will be having Hors d'oeuvre's, finger foods and cake in the Tiki Bar, so please come and join us for the Review and if you can, please bring a dish, finger food, or a salad that you can share would be greatly appreciated. Also I would like to ask for any volunteer Captain's to help bring fellow members who wish to participate in

the Fleet Review.

This is my last article in the Breeze as a Fleety. I had a great time with our Land Cruises, Cruises, and visiting Yacht Clubs, and I appreciate everyone for their help, and I know Denny and Jane Swiger, our next Fleet Captain and Fleetress have Planed some great trips for us, So Stay Tuned.. Thank you everyone who helped Suenette and I this year, we could not have done this without you, that is what EYC is about...

F/C, Rick

# Princess Shelby

Hello everyone,

It's been a little while since you have heard from me because I moved to Pittsburgh for college. This will also be my last Breeze Report as princess. First and foremost, I want to thank everyone for everything. I really cannot express how thankful I am for all of the support this past year. I couldn't have asked for things to go any better. I specifically want to thank Commodore Brian and First Lady Stacy for making this year so enjoyable. I also want to thank Aunt Tina, Uncle Brian, and my parents for making everything possible. Congratulations to Uncle Brian for becoming Commodore next year!

I want to congratulate Reilly for being the incoming princess. As sad as I am to be finishing up, I am so excited for Reilly to take over. I know she will have a wonderful time and enjoy the experience. I am also excited to be back home for the weekends of Fleet Review and Change of Watch. My year may be up, and I have may have moved away but I'll still be around. Thank you again for everything!

Sincerely, Princess Shelby

Congratulation to our new Princess for 2018—2019
