## Officers and Agents of EYC

### Commodore Brian Rockstroh

Hello Everyone,

It seems just like yesterday I was planning my 1st Pirates' Cruise as Fleet Captain and here it is 4 years later as I write my last Breeze article. Time really has flown by, but I've made many great memories along the way. It was definitely a lot of effort and hard work but it was also

extremely rewarding. I will forever look back on these days with a sense of satisfaction and a smile( well, maybe my best smirk).

I won't pretend this past year has been an easy one. The Club was faced with many challenges and I as Commodore had to make a lot of tough decisions. Please know this... I always tried to do what I thought was not only morally, but intellectually right for this Club. This place is bigger than I am. It's bigger than any one person. My goal this year was to put this Club in a place where it will survive long into the future.

I walk away from the Bridge knowing incoming Commodore Robin and her Officers are a group of incredibly dedicated, talented and upstanding people who will put the best interest of the Club into everything they do and every decision they make. I look forward to the great things they will accomplish. A lot of work this past year went into fixing how things were done in the past, getting existing structures permitted and establishing methods to ensure we are in compliance with local agencies. This work will continue.

EYC always has been and always will be worth fighting for. I am always amazed at the kindness, compassion and generosity of it's Members. I take great pride in the massive amounts of money, goods and time we raise for the benefits and charities we hold dear. We never fail to help those in need whether it be one of our own or a group of strangers. We do this without fanfare. We do this as a family. I will forever be grateful to be a part of this place, a part of this family. I thank you all for your support and your friendship. I promise I will continue fighting for the future of EYC.

Hello Everyone

Fall season is approaching but the weather has been great for boating. Let's hope it continues for a couple more weeks because the Frost Bite cruise is coming up on Friday October 4th, Saturday the 5th and Sunday the 6th at Haven Harbour Marina in Rock Hall. We are looking forward to another great cruise, if you are making plans to attend please touch base with Jane or me, we are trying to get an idea how many boats will be attending. We will head back and have our Fleet Review on October 6th at 1 P.M. It is Eastern's way to show our appreciation to our Commodore Brian, our First Lady Tina and also to our Princess Reilly. After the Fleet Review, we will be having a reception in the Tiki Bar, so please come and join us.

And if you can, please bring a dish, finger food, or a salad that you can share, it will be greatly appreciated. Also I would like to ask for volunteer Captains to help bring fellow members who wish to participate.

This is my last article in the Breeze as a Fleet Captain. I had a great time with our land cruises, raft outs, visiting clubs and my favorite the vacation cruise! Pat and Rose Lange, our next Fleet Captain and Fleetress have already began planning trips for us. They have posted the sign up list for the Pirate Cruise on Oct. 19th in the Tiki Bar and it is filling up fast. It will begin with happy hour at 4:30 and the bus will depart at 6pm. I also would like to thank commodore Brian and First Lady Tina for all of their hard work during this trying year, you have made our club a better place and we appreciate all you have done. We look forward to many, many more years of your friendship, enjoying our club and spending time with you. Once again thank you for all your hard work.

Thank you everyone who helped Jane and me this year, we truly appreciate all your help, suggestions and guidance that made our year successful!  
Fleet Captain Denny !

Hey Hon's

What a crazy month! Swing set has been erected!! Thanks to Ricky Pope and the Saturday work crews for all their hard work in getting this accomplished. It looks AWESOME!

The Crab Feast was a huge success! Thanks to our committee chair, Jimmy Samm, and everyone who helped. Lady Frances never disappoints our day, for sure. Thanks to Diane for the crab/cream of crab soup. And a special thanks to all the 10 children who came and helped with set-up, handing out the crabs and with clean-up. We really do have the best kids on the bay!

Our Spooktacular Halloween party is scheduled for October 26th! Tickets are \$30 which includes a graveyard grazing buffet, and rail bar. Committee Chairpersons Mickey & Jane are working diligently to make this event successful. So get your costumes together and lets have some fun!

In November we are having a Friendsgiving at the Tiki bar on the 30th. Gulls will provide the turkeys and you bring the sides! More info to follow in upcoming weeks.

Please make note our Bar Bingo will start again on the first Friday of every month starting in November!

# Princess Reilly

It's hard to believe that this year as princess is coming to an end. It feels like just yesterday I gave my first speech and was being crowned by past princess Shelby. I think back on all of the unforgettable lessons, memories, and people that are now part of my life, and realize how much this experience has impacted me. I have learned and grown so much, and I couldn't have done it without my amazing EYC family encouraging and supporting me along the way. Getting to know other members, officers, and all of the other princesses has shown me just how special this community is. Its not just a place where people keep boats, it truly is a family. You all dedicate so much of your time and energy

into supporting not only Eastern Yacht Club, but all the other clubs, charities, great causes, and last but not least, each other. You all helped me raise about \$7,000 for a charity that means a lot to my family and me, Camp Me Too, and I can't express how grateful I am for it. It has shown me that tragedy can be turned into something beautiful, and thanks to you, many other kids will be able to learn the same thing.

I can't thank you enough for this amazing opportunity. This year has been filled with so much love and so many fun memories. It has been a pleasure getting to know more of the EYC membership, and I am looking forward to spending more time with you. Thank you to Commodore Brian and First Lady Tina for everything you have done for me and this club, I couldn't have asked for better people to guide me on this journey. This year with you has been a lot of fun and I look forward to many more memories.

With this being said, I want to give a huge welcome to Princess Kelly! I wish much luck to you, Commodore Robin, and First Mate PC Terry. I know you guys will have a great year and do great things. I am now starting a new chapter in my life with my new family, house, and school, and cant wait to see what the future holds!

Princess Reilly

*Thank You  
Princess Reilly*
