Officers and Agents of EYC

Commodore Robin Bowles

Hi All,

I cannot believe this is the last Breeze article I will write since becoming an officer. I know it gets said a lot but it is true: these past 4 years did go by rather quickly. You get a totally different job each year which is why it flies by. You also get to learn everything there is to run our lovely club. It is a very rewarding experience.

I encourage our regular members to step up and become an officer. Please join me and welcome our upcoming Fleet Captain Jim Morin and his lovely wife Cindy. They are enthused and already planning an awesome pirate cruise. They have lots of fun ideas coming our way.

I would like to thank my bridge officers for all that they have done and will continue to do. Change of Watch is around the corner and I will turn the reins over to Commodore Rick. I have total confidence in the job he, his bridge and the Board of Governors will do. Rick has already shown us how dedicated he is to our club. He and his crew will make things happen in a good way. Looking forward to it.

Our Princess Kelly was a blessing this year. I thank her for representing our club with style and dignity. Her compassion for her charity GBMC NICU was evident by how hard she worked for the cause. She is still my ray of sunshine.

This past year was a memorable one for sure. Everyone will remember 2020 and mostly not in a good way. We had to close our doors for 2 months because of Covid 19. It was a major learning experience as we reopened. I would like to thank you all for your patience and for working with us in trying to do it the right way. We are a yacht club, but mostly we are a social club. WE WANT TO SOCIALIZE!!!! I get it. Hoping for a very normal year next year where we can dance, hug and carry on again as a group.

Hello all,

Fall season is here, but there is still plenty of boating and RVing to do this season. Fleet Captain Pat Lang has the Frost Bite Cruise and Fleet Review planned out and Incoming Fleet Captain Jim Morin are getting us ready for the Pirate Cruise, sounds like a lot of fun to be had.

The Appreciation Party was great with a wonderful turn out and was glad to see so many new members attend. I wished I could have given out more awards. Thanks to everyone who participated in making EYC the BEST YACHT CLUB around. Seriously, we have so many members here who are willing to help in many ways, and at any time. Thank You!

I want to give a BIG thank you to Commodore Robin and First Mate Smiley for a great year. Commodore Robin led us thru a difficult time thru COVID, and Legal Issues and did a wonderful job. It was a pleasure working with Commodore Robin, hope to see her in the Commodores Club.

In this coming month, and year will be no different with the EYC Bridge and Board of Governors planning exciting things for both Boating and Social Activities. We don't always get it right, however what we try to do is always with the Best of our Club at heart. We are all volunteers and our job are to make sure you have an inclusive Family Friendly Club – Your job is to go Boating, RVing, Socialize, and HAVE FUN!

ENJOY! Rick Pope,+ Vice Commodore

Rear-Commodore, Denny Swiger

Hello everyone,

Fall has arrived...hard to believe summer is over already. All I can say is that we made the best of it during this 2020 pandemic year. I look forward to boating in the warm days & cool nights of fall. Let's keep the fun going as we move towards the winter months. Soon bar bingo will begin, music and karaoke from DJ Frank and Friday night dinners by Chef Mike will continue. We also are planning some other events to keep things hopping.

October 9th will be Change Of Watch, please come out to join us for our ceremony and celebrate our incoming Commodore Ricky Pope. I would like to thank out going Commodore Robin Bowles and first mate Terry for all their hard work during her years on our bridge. Especially this year with all the limitations and restrictions placed upon us, we had a terrific year. We wish you guys the best and look forward to many more good times ahead.

As Rear Commodore I would also like to thank all of the work crews who worked so hard this year to keep our club maintained. We made some good contributions that make our club grounds and buildings beautiful. It takes a lot of time, hard work and dedication from these men and women to keep us as the best club on the bay. Rick, Pat and I have met and hope to continue to make some improvements to our club.

On another note, just a reminder for all slip holders with the cold months approaching please remember you will be responsible for installing and maintaining your ice eater for your slip. I look forward to seeing everyone around the club and keeping the fun and tradition going.

Thank you R/C Denny

Fleet Captain Pat Lange

Hello Everyone

First, I want to congratulate Commodore Robin for a job well done; four years of dedicated service to the Club, through some tough times. It's not always easy, not always glamorous but it is always rewarding in supporting the club we love and enjoy so much. Robin – you did a great job and I thank you for everything you've done for EYC.

I also want to thank Princess Kelly for a great year. Unfortunately, it wasn't as fun as originally hoped and you didn't get to spend much time with the other Princesses. But you did great in representing EYC at the Balls and other Club events. The fundraising effort was great, and you raised a bunch of money for GBMC NICU which I know will benefit so many families. Good luck in all your future endeavors.

This is my last Breeze entry as Fleet Captain. I cannot believe a whole year is behind me already. Despite COVID, it was an awesome year. We had some great cruises and a lot of fun parties. I hope you agree. Rose and I want to thank everyone who supported us through the year by participating in our events, helping with running the events and all of the encouragement and wisdom. I am looking forward to my new responsibilities though likely not as social and fun as this year has been.

The club will be in good hands next year with Jim Morin and his wife Cindy taking over the Fleet Captain duties. They are already off to a great start with making plans for a Pirate Cruise later in the month and a Pirate Ship of cheer raffle. I hope that you will all support them in all of their efforts.

Please have a great Fall and I look forward to seeing you around the Club.

Cheers! F/C Pat Lang

Frostbite Cruise

The Frostbite Cruise will be held on Friday, October 2 thru Sunday morning, October 4th. We will be staying with Kent Island Yacht Club. I am working out an itinerary with KIYC now and will have more plans to share in the near future.

If you want to attend please contact me ASAP. If you are going by boat send me your boat specs. If you do not have a boat, there are a number of hotels on Kent Island East where I will be staying.

This event is open to everyone, social and A members. I can plan a lunch for Saturday afternoon but will need to take up a collection.

**Note the Fleet Review is that Sunday,
October 4th at 1 PM.**

Thanks, Fleet Cap'n Pat

This is an event for ALL members to participate. All Captains, please assemble in/around the Tiki bar around 11 AM. Boats should then assemble in Norman Creek by 12:30 at the absolute latest. The procession past Commodore Robin and into the basin is scheduled to start at 1:00 PM. Once your boat is tied up, please assemble at the end of the piers and wait for Commodore Robin and First Gent Terry to come back to their slip. While coming in please show your appreciation for Robin's leadership and hard work for the past four years.

Members without boats, you are welcome and encouraged to join us. Please come to the Tiki Bar by 11. We'll get you on a boat. Captains, please make room and welcome aboard our social members.

This was an underwhelming year so please come out and make this an overwhelming turnout. There will be a reception to follow in the big house with lite fare and cake.

Thank you, Pat Lange, Fleet Captain.
