### Officers and Agents of EYC

### Commodore Bobby Kuhl

Hello Everyone,

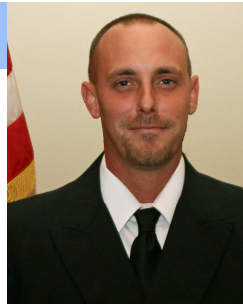

Hope everyone is having a wonderful summer. Sad part is that it's almost over. Hopefully everyone has had the chance to get their boats inspected in time for slip night. As a reminder, keep in mind that it must be done by September 1st. There will be no exceptions after the due date. Find any officer or pier captain to get it done.

For all those that are new members and that need to bid on a slip, you must attend slip night. For those that are current slip holders, if you can't make the meeting and are satisfied with your current slip let R/C Ron know prior to slip night.

Huge thanks and pat on the back to Ellen Richards and the volunteers who helped make the Wine and Blues and huge success. I heard nothing but positive feed back from everyone as I was walking around meeting new people. This is definitely one of the biggest events for our club and enough thanks can't be said to the entertainment committee and the work crews that put their time in to pull it all together.

As a couple side notes to leave off with: We have the Labor Day cruise coming up on September 5-7th and the member appreciation on September 18th. Hope to see as many as possible participate and remember to enjoy as much of the rest of summer as you can!!

September Breeze

I never thought the day would come, but...it is sad to think this is the last Breeze article that I will ever write.

The past two years have flown by but I couldn't have asked for a better support system through all the trials and tribulations I faced as EYC's 2014/2015 Princess. Without all of the membership here at Eastern I would not have accomplished all the goals that I set for myself over the past two years. I would like to rewind and talk about all that we have accomplished as a club over the past two years. First, Rock and Inspire was an event created by myself to raise money for the National Brain Tumor Society and was a huge success both years, reining in a total of \$14,836! Please know we have made a huge difference in the field of Brain Tumor research, every penny counts because a penny could save a life. I hope to continue hosting this event due to the amount of success and pride it brings to my family along with all others affected by brain tumors.

Next, Eastern has continued their tradition of holding the Middle River Fireworks Extravaganza, raising money for No Person Left Behind. This is a great event to bring EYC's members, family, and guests to enjoy our independence and a great day of festivities, while giving back to veterans who earned and maintain our freedom. Also, Eastern has become well known for the hosting of the Blues and Wine Festival every year. This is a great event for all to join in wine tastings and support all local and/or corporate businesses. All of these events (which just name a few) have created and represent Eastern with a truly great and inspiring name.

I am so proud to have represented a yacht club that has such a passion to give back to the community. I would like to thank everyone for shaping me into the person I am today and only inspiring me to reach all the goals I set for myself. I hope to continue to make Eastern proud throughout the years as I go into professional fundraising/marketing. A huge thank you goes out to my family who supports me through everything I do with no questions asked. Although this is my last breeze article, it is not the last of me! I will be proudly showing Eastern's next princess through the ropes and of course come back for more boating adventures. Once again, thanks to each and every one of you for making a difference in my life and many others!

With Love,

Princess Savannah Hemling

Special Thanks to Chairperson Ellen Richards and the Blues and Wine Festival committee. What a great day and another very successful event. Thank You Ellen!

Greetings Eastern Family,

We are winding down on another year of great boating and fellowship. I can't believe the third gold star for my uniform is only 40 days away...crazy...right?!

I want to take this month to tell every individual at this great club, THANK YOU. Thank you for who you are and for the talents you bring to this club. We have a broad array of personalities, professions and skills which make up this membership. We have individual thoughts and ideas that come together to create change. I know our attempt is to change for

improvement but these changes are a small piece of the large picture. Although these changes are small, they are significant for moving the club forward and keeping pace with the times. Everyone has contributed in their own way. I want to recognize all of you for your hard work and dedication to this club. Thank you for your continued support and commitment to Eastern Yacht Club...and it still is...the friendliest club on the bay.

## STILL LOOKING FOR OD HELP...

We are currently in need of ODs for the 3rd Friday of the month spot (6-2am) and the 4th Saturday shift (7-2am). Please contact me if you are interested in any one of these spots. If you're not sure what an OD (Officer of the Day) is and what the OD does during the work shift, please contact me. Also, if you are a Social member and would like to give back some of your time to the club, you can help out with the OD duties. Please contact me directly at 443-338-0443.

Bartenders, ODs or other elected officers: it is important to respect the wedding events that are taking place during the season. If you require something from the big building during the event, use the outside access for the kitchen or the office area. If you must go into the venue, please be dressed appropriately.

## MY QUOTE FOR SEPTEMBER...

Slip Night is just around the corner, September 11th to be exact, right after the GMM. If you are in a temporary slip you will need to be present or have a representative there to be able to bid on a slip. If you are already in a permanent slip and wish to remain there you need not be present. This not only applies to the boat slips but also the RV slips. There has been a lot of movement, especially on A pier, and I would suggest that all involved would get together and try to figure out a solution that works well for all.

The summer is starting to wind down, but there are still many great days to get out and enjoy the waters of the Bay. The first weekend of September is the Labor Day Cruise and thanks to our Fleet Captain Brian we will be going to Tolchester for a great weekend. I understand a few boats will be going over Friday night to enjoy the music, the pool, and maybe one, or more, of their mudslides. Hope to see you all there for a great time.

R/C Ron

## A Bit of Nautical background

### SOUNDS AROUND THE BAY

Have you ever wondered what all those horns blowing on the bay mean? Here is a list of various signals you may hear and their meaning.

1 short blast (1 second) I want to pass you on my port side (Hint: PORT = 1 syllable = 1 short blast)

2 short blasts I want to pass you on my starboard side (Hint: STARBOARD = 2 syllables = 2 short blasts)

3 short blasts Engine is in reverse

4 short blasts you intend to leave your dock. If you need to back out of your docking area, you would sound 1 long blast and then 3 short blasts.

5 short blasts Danger, or do not understand approaching boat's intentions

1 prolonged blast (4-6 seconds) Warning: Entering or exiting a blind turn, Nearing an obstructed area, Leaving a dock or a berth

1 prolonged blast every 2 minutes Power-driven vessel operating in low or restricted visibility

1 prolonged blast + 2 short blasts every 2 minutes Sailing vessel operating in low or restricted visibility

**Note: Another option is to use your VHF radio to reach agreement with another vessel in a meeting or crossing situation. The Rules state that vessels that reach agreement over VHF radio do not need to make the required sound signals.**

# Gulls President, Christine Gannon

Happy Labor Day everyone!!

The Eastern Wine and Blues Festival was the absolute best! I can't imagine how it could be any better than that. From the weather, to the assortment of vendors, to the wineries, it was a wonderful day. Thanks to everyone who supported the Gulls by coming up and enjoying a great breakfast Saturday and Sunday. The wine rack contained 37 bottles of wine at last count and the winner was very happy. Thanks to all who donated a bottle or two or more of wine to this, it is a huge money maker. Thank to my daughter Caelea who walked around and sold the tickets, She sold over 600 tickets!!

The next Gulls event will be the Crab feast see flyer attached. It is October 17th. We will have tickets to sell starting Labor day Weekend. We will also have signup sheet in the Tiki bar for the kids to sign up and help again this year. This is a sell out every year so please buy your tickets early. We will sell out indoor seating first, and then if weather permits we will sell additional tickets the day of the event for outdoor seating.

Wishing everyone a safe and enjoyable Labor Day weekend!!

Have a great month and hope to see you around the club.

Chris Gannon

EYC Family,

Well we are approaching the late days of summer but the boating fun is going strong. I wanted to remind everyone that we still have a few trips planned before the end of boating season. Please see below the dates that we will be heading out for Labor Day and the Frostbite cruise. I am looking forward to some great fun on these trips and would love for you all to be a part of these memories.

Just a reminder will be heading to Tolchester Marina for Labor Day. We will be heading over Saturday September 5th and staying until Monday September 7th. You will need to call Tolchester Marina ASAP, as slips will go fast. The reservations are under Eastern Yacht club. Once you have booked your slip please let me know so I know who will be attending this trip.

**Tolchester Marina - (410) 778-1400 September 5 through the 7th  
Reservations are under Eastern Yacht Club**

Lastly I wanted to let you know that we will be doing the Frostbite Cruise again this year leaving October 2nd and returning October 4th. We will be heading downtown for the Fells Point Festival and staying at Henderson's Wharf Marina. Please make your reservations ASAP as they are treating slips as first come first served. They currently have 30 slips available and they are starting to get bookings so call today and reserve your slip.

**Henderson's Wharf Marina- 410-732-1049 October 2nd to the 4th  
Reservations are under Eastern Yacht club**

Thank you, F/C Brian
