Hello EYC Family,

As I am sitting here writing this we are just a few days away from the Blues and Wine festival. This great event is like no other wine festival that I have attended. The food, music and vendors are second to none, and EYC does a great job of hosting the event. I want to personally

thank Ellen for not only starting this event but also for the amazing job she does every year running the event. As many of you know, this will be Ellen's last year running the event so please let her know how much you appreciate the work she puts into this every year.

I wanted to thank Pat Lang as well for spearheading the project to get the sea weed removal done in the basin. It was a neat process to watch and it made a huge difference in the navigation and appearance of the basin. I also wanted to thank Denny for his amazing work on getting the floor replaced in the Tiki Bar. What a difference this change made to the appearance of the Tiki Bar.

Just as a reminder we have our Princess Pageant on September 16th and our membership appreciation party on September 21st. These will both be fun events for the club and we would love to see you there. As I have said every month, I feel blessed to be able to lead EYC; I and First Lady Stacy appreciate all the love and support you have given us.

Hello Everyone,

Another Blues and Wine Festival is in the books. As usual a large number of members stepped up to help. Thank you to everyone that had a hand in making this year another successful event. The weather held out and everyone had a good time. Special thanks go out to Ellen Richards for all her efforts throughout the last ten years and for helping with the transition to Frank Winterling taking over next year.

Rear-Commodore, Robin Bowles

Hi All,

The Blues and Wine Fest was a very pleasant day. The whole crowd was just easy going and peaceful. Thank you all who participated in helping set up, work the day, and tear down all that needed being done. It was very much appreciated. We had a work crew as well as additional members willing to help out. This is a big event and so much needs to be done. This could be a very stressful time, but with all the help, it was not. As I quote each month....We Work Together, We Play Together. Wine fest was living proof of that!!

Next month is our slip night. Please remember all monies owed must be paid before September 1st. Inspections must be done and all insurance info must be up to date in order for you to keep your slip or bid on a new one. For all you new members wanting permanent slips, you have to come on slip night on September 14th..8pm.. See you there!!
