Officers and Agents of EYC

Commodore Brian Rockstroh

Hello Everyone,

Thank you to Frank and Sharon Winterling for a great job organizing the Blues and Wine Festival this year. This was a massive undertaking to volunteer for and I personally want to thank them both for all their efforts. I know they were both tremendously busy with both EYC and CCC duties already so I can only imagine how

much focus and extra energy it took to pull off this great event. They stepped up in a time of need for the Club as they always do. Next year there will definitely be a need to delegate some of these responsibilities so if you would like to be a part of The Blues and Wine Festival Committee please come see Frank or any Officer. Together we can ensure the continued success of this amazing event. This is our biggest fundraiser of the year and allows us to be the incredibly generous charitable organization that we are.

The Event itself was a fun filled day of great drink, great music and great people. Everything ran smoothly and there was no drama. This is due to the hard work of everyone who volunteered throughout the weekend to make it happen. The Club should be proud of itself for showing off the best we can be to over 1300 guests.

Coming up this month is another great event in The Gulls Crab Feast on the 15th with crabs being supplied by Lady Frances. Also this month we have the annual Member Appreciation Party where we can reflect on the past year and celebrate our accomplishments and the most important thing in this Club- it's Membership. This year I would like to put the emphasis on the "New" Member Appreciation Party and really encourage all the new Members who have joined in the past year or so to come out and celebrate EYC. There are great appetizers provided from 7-8:30pm and a short award program follows. I hope to see everyone there.

Hi All,

A BIG THANK YOU to PC Frank Winterling and his lovely wife Chap. Sharon!!! You guys did a remarkable job with the Wine Fest. It truly was a beautiful sight to see all the help that they received. That really makes my heart happy. EYC is a wonderful family. The event turned out really great. Beautiful weather, enjoyable people, lots of good food and drink. What more could you ask for?

I cannot believe Labor Day is right around the corner. Just because "summer" may be coming to a close, does not mean our boating season is over. We still have plenty of fun times ahead.

Soon Terry and I will be attending balls and on my arm will be our lovely Princess Kelly

Lange. Congratulations Kelly!!

Party with your Club, V/C Robin

Rear-Commodore, Rickey Pope

Hi Everyone,

As I am writing this article the heat index is over 100 degrees outside, seems to be the normal now. I hope you all had a chance to go to the Blues and Wine Festival last weekend. We had such a good time. The music, food, and people were all great. A huge thank you goes out to Frank and Sharon Winterling for such a wonderful event. I know they worked so hard for this event. I want to also give a Big Shout Out to some of our members, our Mid-week and weekend work crews for taking time to help set up, working the event, and cleaning up afterwards. Looking forward to next year.

As you know and a reminder to some, slip night will be upon us sooner rather than later on September 13th, following our GMM meeting. All the boats in our Basin have been inspected by Fleet Captain Denny and Dock Master Steve Uhl, Thank You, guys. For those who are current slip holders: if you cannot make the meeting and are satisfied with your current slip, please let me know before the meeting. For all new members who would like a slip to bid on, and temporary slip holders who wish to bid on a slip must be at the meeting. You MUST have proof of insurance stating EYC as the Holder and Notification upon cancellation. PLEASE NOTE: IF YOU HAVE A PERMANENT SLIP ALREADY, YOUR SLIP FEES ARE DUE NO LATER THAN SEPTEMBER 1ST. Without those, you cannot stay or bid on a slip.

Also, I would like to thank Pat Lange & Family, Jim Harris & Family and Princess Riley and her Friends for helping with parking, trash pick-up, and ice delivery. You guys and gals were great. The Gulls served us a fulfilling breakfast on Sunday morning, thank you all so much for getting up early and serving breakfast. And to top it all off to a great weekend, was an opportunity to sit on the deck amongst great friends on a beautiful Sunday morning

Thank You All! R/C, Rick

Fleet Captain Denny Swiger

Hello Everyone,

The Blues & Wine Festival was a great day! Thank you Frank and Sharon for chairing the event; you did an amazing job! Thank you to everyone who helped set up, worked during the event or came to clean up afterwards.

September is around the corner and Labor Day Weekend will be here too soon to remind us that our summer is coming to an end. Stop by our Tiki Bar on Friday, 8/30, to enjoy cold drinks and music to kick off the holiday weekend. Let's get together Saturday and enjoy a day on the beach; we had such a fun time Memorial Day Weekend I would like to repeat the party.

Before fall sneaks in we would like to take one more trip to Rock Hall. We have set up the Frost Bite Cruise to Haven Harbour, October 4th – 6th. Please contact them 800-506-6697 to make your reservations and make sure you tell them you are with Eastern Yacht Club, they are giving us the same discount as was offered for the vacation cruise.

Happy September!

F/C Denny

Slip Bidding Process

This process applies to New or Regular Members wanting to bid on a new permanent slip or to change a present slip.

Prior to "Slip Night" a diagram of the yacht basin is posted in Tiki Bar identifying all available slips along with a seniority list.

The bidding is open and under control of RC. The member with the most seniority will win any individual bid for a slip.

The RC will request the member with the lowest **seniority number** to choose a slip, from available slips, or remain in their current permanent slip.

If a slip becomes open due to a member bidding on a new slip, anyone with more seniority who may have already passed by remaining in their current permanent slip, or bid on another slip may now bid on the newly open slip. This will allow by seniority members to bid on any slip that becomes available.

Each Member takes FULL responsibility that the slip bid on will accommodate the member's boat. If found to be out of compliance after slip night, a temporary slip will be assigned if available, and the member will be eligible to bid on a new slip the following year.

After successfully bidding on a slip, the member MUST be prepared to pay for the slip IN FULL at the conclusion of the bidding. The check for the full amount of the annual slip rental along with the slip agreement and proof of insurance are to be given to the Treasurer or the Treasurer's designate before the slip assignment is official.

There is also a one time \$100.00 maintenance fee for all new members due on slip night.

The member must notify the electric company immediately following slip day to transfer the electric to the members name and home address.

First time slip owners are to set up a date/time for boat inspection with the RC or FC if the boat has not been inspected.

Thanks Frank and Sharon

The wine festival was an awesome and successful event...

I want to give a big thanks to all who volunteered their time and who helped in any way possible. Every little bit helps during this big event.

This event is a great success because of the membership. It is you who help promote the event, attended the event and offer help in many ways. I know one of the ways we measure the event success is by the financials. I'm here to tell you that this is bigger than that.

Sharon and I made a point of visiting every vendor to welcome them and offer any assistance. The more important thing I learned was when I moved around the crowd and stopped to speak to the people attending. The message I took away from my 5 minute chats with many folks was they look forward to this day every year. They plan their personal schedules to carve this day out; its very important to them.

This festival has truly become an annual tradition for many who attend. I have many lessons learned from the day and Sharon and I plan to implement these lessons for future festivals.

Sincere Appreciation for All of You!!!

Frank and Sharon
