THE BREEZE

September 2024

Officers and Agents of EYC

Eastern Yacht Club

Commodore, Jim Morin

Hello All,

It has been a very busy month around the club.

First, I would like to thank the Gulls and Jane Swiger for an amazing night of entertainment featuring the Satin Dollz. They are such an incredibly talented group of young ladies and their performance was fantastic!

I would also like to thank Mickey and Corinne Kunkowski and Bobby Kuhl for a great dinner prior to the show. Thank you Mickey and Corinne for your generosity, it means a lot to the club. You are an awesome couple!

Next up, I would like to thank my Rear Commodore Brian and his wife Connie along with member Kisha Soth for all of their hard work and planning for our Annual Blues and Wine Festival. Despite some minor weather challenges it was a great event with so many wonderful vendors on site. Thank you to all the volunteers who helped them make this event a success.

Thank you to all the members who helped clean up after the recent storm damage. Seeing everyone come entire bridge. This is what being a member is all about, not only looking out for one another but pulling together as a club in time of need.

Please mark your calendars for our Members Appreciation Party on Friday, September 20th at 7pm in Big House. There will be a small cocktail reception followed by the ceremony and a night of fun. Hope everyone can join us!

There are lots of other great upcoming event happening around the club. Be sure to mark you calendar for the upcoming Gull's Crab Feast on Sunday, September 29th and our Annual Fleet Review on Sunday, October 6th. Details for both events can be found in the Tiki Bar.

Thanks,
Commodore Jim

Don't forget to get all your necessary documents to Rear Commodore Brian prior to slip night. Not on Slip night.

Hello Everyone,

Summer is still with us so be sure to get out and enjoy the long days while we have them!!

It's been a busy month from cleaning up after the storm damage followed by the Wine Festival.

Thanks to all the volunteers who came out and spent their Saturday with us to clean the grounds from debris and have the club looking sharp after the storm. I would like to give Todd a special thank you for sticking out all day helping me, even when we thought we were fine we somehow found more to.

The Wine n Blues Festival went off with a bang!!

The weather stayed dreary but didn't dampen the spirits of our vendors or music acts.

If you missed it; you truly missed a great opportunity to walk the various vendors we had a shop like never before. I want to give a special thank you to Connie, Kisha and Frank for the year of planning both efforts and time. I would also like to thank all the volunteers who helped us all day, We couldn't have done it with out you guys!!!

Have a great day,

Brian

Slip Bidding Process

This process applies to New or Regular Members wanting to bid on a new permanent slip or to change a present slip.

Prior to "Slip Night" a diagram of the yacht basin is posted in Tiki Bar identifying all available slips along with a seniority list.

The bidding is open and under control of RC. The member with the most seniority will win any individual bid for a slip.

The RC will request the member with the lowest **seniority number** to choose a slip, from available slips, or remain in their current permanent slip.

If a slip becomes open due to a member bidding on a new slip, anyone with more seniority who may have already passed by remaining in their current permanent slip, or bid on another slip may now bid on the newly open slip. This will allow by seniority members to bid on any slip that becomes available.

Each Member takes FULL responsibility that the slip bid on will accommodate the member's boat. If found to be out of compliance after slip night, a temporary slip will be assigned if available, and the member will be eligible to bid on a new slip the following year.

After successfully bidding on a slip, the member MUST be prepared to pay for the slip IN FULL at the conclusion of the bidding. The check for the full amount of the annual slip rental along with the slip agreement and proof of insurance are to be given to the Treasurer or the Treasurer's designate before the slip assignment is official.

There is also a one time \$100.00 maintenance fee for all new members due on slip night.

The member must notify the electric company immediately following slip day to transfer the electric to the members name and home address.

First time slip owners are to set up a date/time for boat inspection with the RC or FC if the boat has not been inspected.

Just a reminder that we are in our summer schedule for the lower **parking lot**.
