# THE BREEZE

## August 2023

### Eastern Yacht Club

### Officers and Agents of EYC

#### Commodore, Pat Lange

So far this has been a great summer with some spectacular weather, lots of activities and fun. I want to thank our Fleet Captain and Fleetress Dan and Carrie for a wonderful vacation cruise. We got to take a great tour of the upper bay and stayed at some really awesome places.

The vacation was relaxing and full of laughs. If you've never been, you should really consider going next year. It never disappoints.

There's a lot going on in August. We have our annual wine festival coming up on August 12th. Please buy a ticket and also sign up to work an hour or two to help support the club and the event. We need help working the front door, handing out wine glasses, distributing ice, managing trash cans and, for the first time ever, selling ice cream out of Parrot Ice Grille. This is our biggest money maker and we need to work together to keep this a great event. I want to thank Frank and Sharon Winterling, Tim McCall and Kisha Soth for all their hard work in planning this huge event.

Following that is Wounded Warrior Day on the Bay. This is a great event and a great cause. Maryland Yacht Club will be welcoming boats in on Friday, August 18 where they will offer free dockage, access to their pool and patio bar, food trucks and live music. Saturday is the event where you will get lunch, take your designated family out for a 90 minute boat ride then end the day with a crab feast

If you want to join me and a few other EYC captains, please contact me for more info. I will resend the email regarding this as well.

Two announcements, first, please check your fresh water hose to your boat and RV. If it has a leak, even just a drip, please invest in some new washers to stop the drip. Literally every drop counts towards our high water bills. If you are not on your boat for an extended period of time, it is highly recommended that you turn your hose off. Second, for the upcoming wine festival, we are asking members to park in the "Members Only" area which is in the grass behind the RV's. The area is marked out to offer four (4) rows of parking from the road to the tree line. This becomes a huge help to the parking attendants to get the stone lot properly set up for the festival to maximize parking spaces.

Lastly, I want to thank everyone who puts in their time, their skills and their resources to keeping our club looking great and moving forward. I can't tell you how much it is appreciated.

Cheers!

Hello All,

Summer is really flying by, try to enjoy it while you can. Don't forget our Tiki Bar is open Thursday to Sunday and serving up nice cold drinks!  
For those in need of ice to keep your coolers cold on your next boating adventure we have bags for sale at the Tiki bar, \$4.00 each.

Thank you, Fleet Captain Dan and Fleetress Carrie for organizing and executing an awesome vacation cruise. Always a good time and lots of great memories made. For those who have never been, you are missing out on a great week around the bay!

As always, there are lots of fun things happening around the club. Come on down and join us for some fun. The beer is cold and the company is even better!

Cindy and I are gearing up for our ball on December 2nd. Our theme is "Sail Away with Me" and we are in need of driftwood for our centerpieces and decorations. There is a box in the tiki bar if anyone has driftwood to donate. Thank you in advance!

With the support of our EYC family, we will be having a benefit event at Eastern Yacht Club on Saturday, September 16th for our son-in-law. Additional details are posted on the Eastern Facebook page and will be distributed via email.

Thanks  
V/C Jim

## *Rear Commodore, Carolyn Creamer*

Hello EYC,

Hope everyone is enjoying their summer.  
We have been having some fun times in the tiki bar and on the beach, please come down and join in.  
Parking Reminder: Lower lot is for permanent Boat Slip Holders only. 1 spot per boat slip holder.

Please check your water valve when leaving and let me know if it's leaking.

All Boaters: Remember to get me your boat insurance. Please put your information in my box in the big house. Thank you to those who have already provided the information. If you have not yet turned in your paperwork, please do so as soon as possible. Please provide proof of insurance including all of your coverage. \$300,000 liability. Please do not just provide a copy of your insurance card. If you have any questions or concerns, please call me. Make sure your boat has been inspected. I have boat slip agreements that need to be filled out and signed.

Hope to see everyone at the Wine Festival on August 12th.

R/C Carolyn

## *Fleet Captain- Dan Krause*

Hello EYC

I cannot believe that the Vacation Cruise is already behind us, but what a success it was! I want to thank all of the members who came and participated in the week, it appeared that fun was certainly had by all.

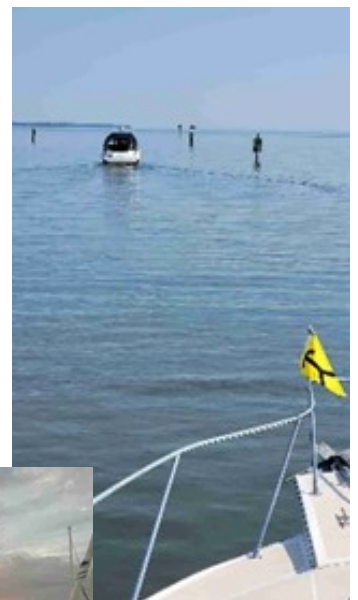

Between the hospitality offered to us by Bodkin Yacht Club, the impeccable(although hot) weather throughout the week, the many hours spent on the boats, the unspeakable fun in the various pools, the best crabs ever, the many laughs and even the couple of minor mishaps, the week was certainly EPIC. Not only was this the first Vacation Cruise for Carrie and I, it was the first for many of the participants and hopefully everyone had a great time and was able to relax a bit, experience new places, and create some deeper friendships. We could not have done it without the help of everyone, so thank you!!

As a reminder, boat and RV inspections are to be completed ASAP and copies of your insurance need to be submitted. If they are not completed by slip night, you will not be able to bid on your slip for the next year. If you haven't already completed your inspection, please contact myself, the dock master, or any officer to complete. It will only take about 5 minutes.

We are hoping to still have a few additional club events before the season is over. Any suggestions or ideas are always welcome. It has been wonderful to see so many members, both social and "A", come together for the different activities and we would like to continue the involvement. We are still working on planning the Commodore's Dinner as well as a Frostbite Cruise (October 6-8) along with the Fleet Review on Sunday October 8.

Continue to have a safe and healthy summer!

F/C Dan Krause

## *Princess– Natalie Lange*

Hi Everyone

I really want to thank everyone for your support this year, especially coming to the Princess Reception following the Queen Pageant. It was so amazing seeing so many people on the pier cheering me on. I'll never forget that moment. I want to congratulate Hailey Tate for winning Queen of the Chesapeake Pageant and becoming the 76th Queen. I know she will do an amazing job for the yacht club community. I also want to congratulate Michelle Studnicki for a great year and thank her for all that she did for me and the yacht club community. I am so happy to call her my friend.

My two-year reign is just about over and I am looking forward to enjoying the last few weeks of summer break. I will be making my donation to the Adolescent Self-Injury Foundation very soon in the amount of \$1,460. It was my pleasure to raise this money for a foundation near and dear to me.

Thank you again and I hope everyone has a great rest of your summer.

Princess Natalie

## *Gulls President– Rose Lange*

Hi Everyone

August is almost here and it's hot. That must mean the wine festival is near. The Gulls will be selling wine glasses and T-Shirts at the Wine and Blues Festival on August 12. Any help working in the EYC tent is much appreciated. This involves talking to people who may be interested in joining the club, handing out information, answering questions, selling merchandise, etc. If you can, please offer an hour of your time. We'll post a sign-up sheet in the Tiki bar.

Our next big event is the Crab Feast, September 23. As always, we'll be looking for volunteers to work the event, especially kids to set up tables, hand out crabs and clean-up. The kids typically get paid well for this work. They need to be at least 13 years old and work the entire event from setup through cleanup.

If you are interested in being a Gull, please plan to attend one of our meetings which are held the same night as the GMM at 7 PM. Everyone is welcome.

Thanks

Rose Lange, President

Wounded Warriors Day on the Bay NEEDS YOU for the 11th annual event **August 19** at Maryland Yacht Club.

I believe Friday there will be live entertainment, cold beverages and food and the pool will be open as well. Saturday is the event where there will be lunch, the boat ride and followed by more food, drinks and activities.

The main event is taking a wounded warrior and his/her family out for a boat ride that's about an hour to 90 minutes long. They will give you a "suggested" trail to follow but you can do whatever you want. The goal is to give them an enjoyable stress-free experience on the water.

To sign-up contact John Polek at [jpolek55@gmail.com](mailto:jpolek55@gmail.com). He'll need your name and boat info. You will also need to sign up for a slip at MYC through Dockwa. I am not positive but I believe the slip is free but power is \$20.

## Love, Thoughts & Prayers

Please keep the following EYC members, their family and friends in your thoughts and prayers during their illness and recovery:

Diane Peffer will begin additional treatment. She is holding up strong, as we all expected, but still has a long road ahead!

- Matt Gowers still is fighting cancer but is keeping his spirits as high as he can. The Morin's were very thankful for the support they received from club members at the last fundraiser and have additional activities planned for the near future.

Please contact sick and welfare if you know of a member we have left out.
