THE BREEZE

June 2025

Eastern Yacht Club

Officers and Agents of EYC

Commodore, Carolyn Creamer

Hello All,

Opening season is in full swing! My Bridge and Past Commodores have been attending the openings of our sister clubs and having lots of fun. Everyone has been incredibly welcoming.

I encourage everyone to go to another clubs opening. They are open to anyone in the Yacht Club community. Check out the ceremony, patronize their bars, and enjoy the free food spread at the end. Most of the clubs are also having some really great parties with bands the night before the ceremony. It's a great time and again, open to anyway, no cover. Information regarding the clubs openings can be found on "Yacht Clubs of Maryland" Facebook page. I am looking forward to my own opening starting on Thursday night. June 5th. Opening weekend is a ton of fun, but it takes all hands on deck to pull it off. Please help out in any way you can from working the wheel to changing out trash bags to helping out in the kitchen. There is a lot to do and it shouldn't fall on the shoulders of just a few members. Please don't forget to make dinner reservations for Friday & Saturday. You can find all the information on our Facebook page and posted in the tiki bar. We are also having a contest for best decorated pier. Each pier should pick a theme and decorate accordingly. The judging will be on Saturday and the winner will be announced near the end of the flag raising ceremony on Sunday. Best of luck to all the piers!

Please have a great Memorial Day weekend. Thank you to our Fleet Captain, Sharon and Fleeter Frank for organizing a picnic on the beach for Memorial Day.

Thanks to our Vice Commodore Brian and our Rear Commodore Todd and everyone who helped get "A" pier ready to accept boats.

Thanks to Rear Commodore Todd and all who volunteered on beautician day. Our club looks awesome.

Thanks,
Commodore Carolyn

Vice Commodore, Brian O'Neill

Hello Everyone,

I hope all of you have had the time to "Shake down" your boats and enjoy what the Bay has to offer right outside our clubs waters.

I'd like to welcome all the new members recently voted onto the Holding Corp and stepping up to the challenges ahead. Adam Hale (President) and I have been getting up to speed on what needs to be done and we had a great first meeting with the entire group.

On behalf of the Holding Corp we would like to thank everyone who attended our A Pier party and toughed out the brutal winds. The turnout was amazing and the band even stayed for us by moving inside.

Other changes; The new Jukebox has been installed by AMI so be sure to download the app. Thanks to everyone who helped out to include Randy, Jeff (the attic climber), Frank for reaching up in the insulation rooting for a wire, Big Jim for his tools and wisdom, Kevin for making sure we didn't "mess anything up" and to everyone who helped speed up the install. The machine works amazing and a big hit!!! The background music plays continuously so be sure to check it out.

Opening weekend is around the corner so please sign up as we need everyone's support those 4 days. Be sure to think Cindy for planning the weekend events for everyone to enjoy.

I'd like to thank Fleet Captain Sharon for the Memorial Day Cookout as both her and Frank truly held a great event with not only having the members but their families and friends too, well done guys!!!!

That's all for now.

Thanks,
VC
Brian

Rear Commodore, Todd Bates

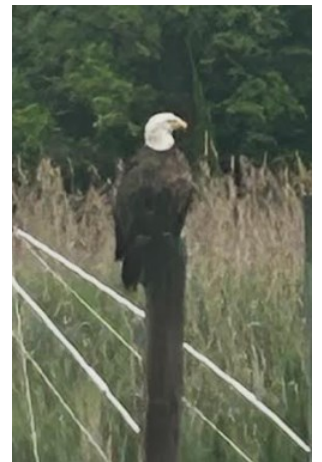

Ahoy Everyone !!

Summer is FINALLY here and it's time to have fun and do some boating. I would like to thank everyone who participated in the Beautification Day. We got a lot accomplished, the club looks great. Special thanks to Nancee James for all of her hard work coordinating all of the landscaping projects.

We are expecting several boats visiting the club for opening weekend. If you are planning to take your boat out that weekend, please file a Float Plan with the Dockmaster. Float Plans are available on the EYC website in the members section.

I encourage all members to come out to the club to celebrate our opening. It's a great opportunity to meet other people from visiting yacht clubs. Everyday there will be food, entertainment and festivities. Also, please take time to pitch in and help out during opening weekend. There is always something to do, so please contribute wherever needed.

Thank You,
R/C Todd

**Hi EYC Family,

The dinner will be held at Kent Island YC in their Dining Room.

Gulls President - Rose Lange

Hello Everyone.

The Gulls will be helping out during the Opening Day Weekend. We are cooking and serving breakfast Saturday and Sunday and will also be handling Friday night dinner and the Princess Court.

Any and all help is much appreciated. There is a sign-up Genius that was emailed out previously and is on the Eastern page of FaceBook.

The crab feast will be held in September – more to come on that event.

I want to continue thanking those who regularly attend our meetings and help out during our events and fundraising. The Gulls are always open to new people. You can join anytime. We welcome fresh ideas and energy.

See you at the Club.
Rose Lange

Love, Thoughts & Prayers

Sandy Bates' sister, Roberta Rykowski, passed away April 27th. Please keep Sandy, her family & friends in your heart & prayers. May Roberta RIP.

PC Michael McVeigh injured his right leg when a heavy toe hitch fell against his leg. He is receiving wound care treatments & orders to keep his leg elevated. (lol) His healing will take at least 4 weeks. Fortunately, he is not in pain except for wound cleansing, debridement, & dressing change.

Diane Pepper is continuing to have health challenges. She recently had a chest IV port placed & started chemotherapy for recurring cancer. Diane continues with her duties at the club. Best wishes to both Diane & Ron as they embark on this new chapter. Please keep them close to your heart.

Tom Potere is recovering from skin surgery due to sun exposure. He is feeling better, Say Hi when you next see him.

Todd Bates had surgery.

Rose Lange—Congratulations, as she is officially cancer free, 7 years after her diagnosis.

What Makes a Dad

*God took the strength of a mountain,
The majesty of a tree,
The warmth of a summer sun,
The calm of a quiet sea,
The generous soul of nature,
The comforting arm of night,
The wisdom of the ages,
The power of the eagle's flight,
The joy of a morning in spring,
The faith of a mustard seed,
The patience of eternity,
And the depth of a family need.*

*Then God combined these qualities.
As there was nothing more to add,
He knew that His masterpiece was complete.
He called it **Dad**.*
