## February 2026 Officers and Agents of EYC

### Eastern Yacht Club

#### Commodore, Brian O'Neill

Hello EYC,

Winter has set in upon us ; but our club activities remain hot!!

I hope Everyone had a great Holiday Season!!!!

Thanks to Fleet Captain Kenny for organizing our awesome New Years Eve party , a great time was had by all.

Our Entertainment crew put together our Day Drinking music party last weekend which was a big hit. Thanks to all the members and sister clubs who attended, we greatly appreciate it!!

As you can see the Big House is steady being worked on so pardon our dust because in the end big things are sure to come.

Finally, the snow has hit along with cold temperatures so please be sure to check your boats frequently and report any problems to any Bridge officers or our BOG and we will address it immediately.

Stay warm as we all look forward to spring and I look forward to seeing all of you at the club.

Commodore  
Brian

## *Vice Commodore, Todd Bates*

Hello EYC,

I would like to thank everyone who attended the CCC's in Ocean City this year. As usual it was a great time, Sandy and I would like to thank everyone who participated in the skit, and who helped out with setting up, tearing down Sunday and bartending.

And of course a SPECIAL THANKS to Cindy and Jim Morin for coordinating the event. Also, thanks to Kim and Tim for doing the skit, great job !!

With the remodeling of the big house in full swing, I would like to thank the "mid-week" work crew for there hard work and expertise. The bathroom upstairs looks great !! We still have a lot to do, I'm confident the membership will step up and help when needed.

The next couple of months anticipate freezing temperatures, so please make sure if you have a boat in the basin to maintain your ice eater.

Please see the attached Tiki Bar winter hours schedule, and please don't forget to take care of our fantastic bar staff.

Only two months until spring !!  
V/C Todd

## *Rear Commodore, Kevin Ketler*

Wow, where did January go?!

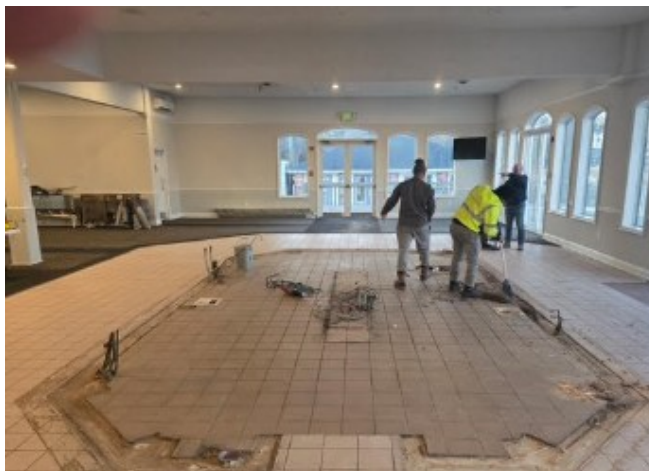

The work crew has been super busy-the old bar is out, and we're moving on to something even better!

With the weather changing, I'm hoping to keep most of our projects inside.

If you are out & about and notice something that needs the addressed please let me know.

As always, thank you to everyone who pitches in - it couldn't be done with out you!

Cheers,  
Kevin Ketler  
Rear Commodore
